

Inclusive and Equitable Practices for Student Success in STEM

Thursday, April 18
11–12:30 p.m.

Germantown Campus, HT Building, Globe Hall

Facilitated by: Dr. Rebecca Thomas, Dr. Milton Nash,
Dr. Vedham Karpakakunjaram,
Dr. Nawal Benmouna

Join us for an interactive workshop focused on promoting equity in STEM

- ***Gain*** valuable insights, strategies, and resources to foster inclusivity and diversity in STEM education
- ***Explore*** ways to dismantle barriers and create an environment where every student, regardless of background, can thrive in STEM disciplines
- ***Contribute*** to our collective efforts in advancing equity and excellence in STEM education for all
