MONTGOMERY COLLEGE
Office of the President

April 4, 2013

MEMORANDUM

To: Montgomery College Colleagues

From: Dr. DeRionne P. Pollard, President

Subject: Transition in Administrative and Fiscal Services Division

After serving our College community with dedication over the past two years, Senior Vice President for Administrative and Fiscal Services Cathy Jones has accepted an exceptional new professional opportunity outside of Montgomery College. This is bittersweet news for me and for the College, and I accepted Ms. Jones's resignation with regret. Thanks to her leadership, I am confident that our institution is stronger, with a budget process tightly coupled with our strategic plan, a new employee classification system, and enhanced business processes, among many other accomplishments.

Ms. Jones has accepted the position of vice president of finance and administration at the American Association of State Colleges and Universities (AASCU), which is based in Washington, DC. In this role, she will utilize her experience and knowledge of higher education and nonprofit organizations to make an impact on national higher education issues. The AASCU has requested Ms. Jones join their organization as soon as possible, and her last day at Montgomery College will be next Thursday, April 11. While I would have preferred to keep Ms. Jones at Montgomery College, I look forward to learning of her future success at AASCU.

In planning for Ms. Jones's departure, I have asked Dr. Janet Wormack, associate senior vice president for administrative and fiscal services, to serve as the interim senior vice president. Dr. Wormack is an experienced Montgomery College administrator, with 13 years of progressively responsible experience within Administrative and Fiscal Services. She previously served as interim chief finance officer and director of procurement. I am confident that Dr. Wormack will provide strong leadership during this time of transition.

The search for the new senior vice president for administrative and fiscal services will begin in the fall. When that time comes, I look forward to members of our College community participating in the search process.

Please join me in congratulating Ms. Jones and wish her well in her future endeavor.
