

# LGBTQ+ LITERATURE WRITING GROUP

Facilitated by Dr. Lucy Grinnell

In this informal, student-centered group, we will read and discuss Samantha Allen's *Real Queer America: LGBT Stories from Red States*. In this travelog, Allen, a transgender queer journalist, "takes us on a rollicking cross-country road trip through vibrant queer communities sprouting up in unlikely places." Group discussions and reflective and creative writing exercises will help us examine how our own lived experiences interact with and are influenced by our respective identities.
