Enrollment Agreement

between

Montgomery College

and

Notre Dame of Maryland University

I. PURPOSE

Notre Dame of Maryland University (NDMU) and Montgomery College (MC) enter into this enrollment agreement so that MC students in the MC Honors Program can transfer seamlessly to NDMU and the Morrissy Honors program.

This agreement facilitates the acceptance and transfer of prospective students and graduates of the MC Honors Program to NDMU. It also provides valuable advising tools for the student's time of study at MC. They will also be expected to receive their associate degree prior to enrolling at NDMU to be eligible for consideration under this agreement.

II. ASSIGNED RESPONSIBILITIES

A. NDMU will:

1. Accept the transfer students from MC as long as a cumulative 2.5 grade point average has been achieved.
2. Allow MC students involved in this agreement to take up to 9 credits (3 courses, which could include study abroad) with NDMU prior to their start term at NDMU at a reduced cost (at least 50 percent of the per credit tuition cost).
3. Guarantee admission to the Morrissy Honors program for students with a cumulative GPA of 3.5 or higher at time of admissions (completion of three honors courses at MC will be part of the 18 credits needed to graduate as a Morrissy Scholar at NDMU).
4. Accept transfer-appropriate courses with a grade of "C" or better, up to a maximum of 68 credits in transfer.
5. Work with MC on detailed articulation pathways that provide guidelines on additional program-to-program transfer.
6. Provide opportunities for MC students to participate in activities with the NDMU community – on/off campus (events, speaker series, study abroad experiences, etc.).
7. Provide concurrent advisement opportunities for MC students.

8. Provide assistance throughout the financial aid process and distribute information on external scholarships targeted to transfer students.

B. MC will:

1. Provide opportunities for NDMU Admissions personnel to meet with qualified students and to send information to other prospective students.
2. Provide needed academic record information for students throughout their first two years at MC to allow for concurrent advisement activities.
3. Publicize activities, information sessions and other programs held on the NDMU campus.
4. Publicize this enrollment agreement (and other program-to-program specific agreements) and notify prospective qualified students of this opportunity.

C. Jointly, MC and NDMU will:

1. Designate appropriate officials to review this Agreement every five years to make any changes that are mutually agreed to by the parties as needed. *This would include the continuing development of program to program articulation guidelines.*
2. MC and NDMU agree to comply with all provisions of the federal Family Educational Rights and Privacy Act (FERPA) and Title IX of the Education Amendments of 1972.

III. ADMISSIONS

- A. Students desiring to enter the bachelor's degree program(s) must apply to NDMU and meet the requirements for admission to these programs as indicated on the NDMU website and/or the current NDMU catalog (including the Morrissy Honors program).

- C. NDMU will be responsible for handling admission of students, and the decision of the NDMU Admissions staff will be final.
