
Chapter: Personnel

Modification No. 001

Subject: **Temporary Adjunct Faculty Positions**

- I. The President is authorized to establish within the personnel system of the College a category of positions to be known as temporary adjunct faculty positions.
- II. Temporary Adjunct Faculty positions shall be faculty positions that are funded from grants, contracts, or special programs which carry their own funding and are not a part of the College Operating Budget.
- III. Such positions may be established by the President to provide for the instructional services required by such grants, contracts, or special programs, and the appointment to such temporary positions shall be subject to the usual personnel confirmation by the Board of Trustees.
- IV. Such positions established by the President shall remain in existence only during the length of the grant, contract, or special program, or to the limits of the funds specified in the grant, contract, or special program for the employment of faculty, whichever is the shorter time period.
- V. New faculty employed to fill a temporary adjunct faculty position shall be employed on a short-term faculty appointment which is consistent with the conditions of the grant, contract, or special program and the conditions set forth in Board policy.
- VI. Personnel employed to fill such temporary adjunct faculty positions shall receive those benefits permitted and funded by the grant, contract, or special program.

Board Approval: September 21, 1987.
