

The Adult ESOL Program provides basic English language and life skills instruction to Maryland residents whose native language is not English. This program is unable to provide services to F1 and J1 visa holders or people under 18 years old.

Pharmacy Technician Training for ESOL Students, Fall 2023

Are you ready to begin a career as a Pharmacy Technician and improve your English?

The AELG Program can help you learn and improve your English language and the basic skills you need to participate in certification programs at Montgomery College. We can help you to earn your certification and credentials, and prepare you to get a job in this healthcare field.

Course Date: September-December 2023

Requirements

To apply for this course, you **must**:

- be interested in getting a job as a pharmacy technician.
- want or need to improve your English skills.
- be a Maryland resident.
- have a high school diploma or equivalent.
- be eligible to work in the USA.
- Attend the information session and take all required tests.

For disability related accommodations, please contact the Montgomery College Disability Support Services Office by e-mailing:

natalie.martinez@montgomerycollege.edu
at least 2 weeks before registration.

Montgomery College is an academic institution that is committed to equal opportunity and fostering diversity among its student body, faculty, and staff.

This program is funded by the MD Dept. of Labor, the U.S. Dept. of Education, and the Montgomery County Government.

On-line Information Session

You **MUST** attend a session via Zoom on either:

July 11th, July 13th, or July 17th at 6:00 pm
