

## Adult ESOL & Literacy Grant Program

The Adult ESOL Program provides basic English language and life skills instruction to Maryland residents whose native language is not English. This program is unable to provide services to F1 and J1 visa holders.

### Are you ready to begin a career as a Phlebotomy Technician and improve your English?

The AELG Program can help you learn and improve English language and basic skills you need to participate in certification programs at Montgomery College, earn certification and credentials, and prepare you to get a job in this health care field.

### Phlebotomy Technician Training for ESOL Students

**Spring 2024; Course Dates: (February-June 2024)**

#### Requirements

To apply for this course, you must:

- be interested in getting a job as a phlebotomy technician.
- want or need to improve English skills.
- attend information session and take all required tests.
- be a Maryland resident.
- have a high school diploma or equivalent.
- be eligible to work in the USA.

**For disability related accommodations,** please contact the Montgomery College Disability Support Services Office at 240-567-4118 at least 2 weeks before registration.

Still have questions? Call 240-567-8950 for more information.

Montgomery College is an academic institution that is committed to equal opportunity and fostering diversity among its student body, faculty, and staff.
