1. Statement of Use

On April 9, 2020, Montgomery College (MC) received notification that the College was awarded \$10,995,749 through the Coronavirus Aid, Relief, and Economic Security (CARES) Act, with no less than fifty percent (\$5,497,875) for Emergency Assistance Aid Grants to students. The guidelines from the U.S. Department of Education (ED) stated that these are direct emergency grants for students to cover expenses related to the disruption of campus operations due to the coronavirus (food, housing, course materials, technology, health care, and child care). The College must prioritize students with the greatest need and the funds may not be used to cover tuition and fees. MC signed the Certification and Agreement for the Emergency Financial Aid Grants to Students under the CARES Act on April 19, 2020, and received the allocation on April 24, 2020.

On February 16, 2021 Montgomery College received notification that an additional \$5,497,875 would be available to award to students through the Coronavirus Response and Relief Supplemental Appropriations (CRRSAA) Act. CRRSAA removed the requirement that a student must be eligible for Title IV aid to receive financial assistance under the HEERF programs and expanded eligibility to Non-degree seeking, non-credit, dual enrollment, and continuing education students. Students exclusively enrolled in distance education may also now receive these funds. CRRSAA requires prioritization of need and can be used to cover any component of student's cost of attendance, emergency costs that arise due to coronavirus, such as: tuition; food; housing; health care (including mental); and childcare. The grant can only be applied to tuition cost with the permission of the student.

On May 15, 2021 Montgomery College received notification that an additional \$20,493,396 would be available to award students under the American Rescue Plan Act (ARPA). In addition to the expanded eligibility given with the CRRSAA Act, HEERF III guidance with ARPA opens emergency grant eligibility to students who are Maryland Dreamers, DACA students, and other similar undocumented students, as well as International students studying under F1 and other visas types. Prioritization of the ARPA grant is based on exceptional need. First priority to domestic students, defined as Title IV eligible US citizens and eligible non- citizens, Dreamers and DACA qualifiers with exceptional need. Then F1 and other VISA holders with exceptional need are the next priority. ARPA as with CRRSAA can be used to cover any component of student's cost of attendance, emergency costs that arise due to coronavirus, such as: tuition; food; housing; health care (including mental); and childcare. ARPA can only be applied to tuition cost with the permission of the student.

2. Award Amount

MC received \$31,489,146 combined from HEERF I, II, III for Emergency Financial Aid Grants to students. The college also allocated \$4,036,410.00 of the HEERF institutional portion to students as well as \$130,311 from our MSI grants.

3. Total amount of HEERF Emergency Financial Aid Grants distributed to students this quarter.

In the 1st Quarter of 2022 MC awarded \$8,577,500.00
