

ARTICULATION CREDIT FORM

Montgomery County Public Schools Program
Construction & Development, Electricity

Montgomery College Programs
**Building Trades Technology, A.A.S.; Electrical Wiring Certificate: 245; Electrical Wiring Letter of Recognition: 807A;
Residential Remodeling and Repair Certificate: 236A**

Montgomery College (MC) and Montgomery County Public Schools (MCPS) have an articulation agreement for the **Construction & Development** and the **Building Trades Technology** programs. For all of the programs listed above, students may earn college credits toward their college degrees or certificates through their Career and Technology program if they maintain a B average or better in the high school courses associated with the program of study. Students will receive credit upon their full admission to the College in a relevant degree program listed below on page 2.

Student Directions:

1. Submit an [application for admission](#) to MC.
2. Print this Articulation Credit Form.
3. Return the completed Articulation Credit Form and, if required, the test certification forms to your high school registrar for verification.
4. Ask the registrar to attach a copy of the your official transcript to the Articulation Credit Form and mail to: Montgomery College, Transcript Evaluator, Office of Admissions and Records, 51 Mannakee St., Rockville, MD, 20850.
5. Sign your name below to signify that you have read over this Credit From and you understand the requirements of earning credit at MC.

5595	ELEC/CONST TP 2A	1.5	7823	INTERNSHIP TP B	1.5	
5596	ELEC/CONST TP 2B	1.5				

** Unlimited repeats*

The Program of Study (POS) provides students with a planned, sequential program that blends academic, technical, and workplace skills to prepare for college or a career. The POS contains a minimum of four credits and includes relevant courses and a capstone experience such as an internship or a college course. Many POS may lead to the attainment of industry/professional certification (e.g., through formal assessments or course hours). POS are designed collaboratively with colleges, including Montgomery College, and some programs and courses have articulation agreements. An articulation agreement establishes the process for students to earn college credit for courses completed in high school. If there are articulation agreements associated with a POS, an award form will be included.
