  (BIOL 101) **(BIOL 150)**

- **Principles of Chemistry 1, Chemistry & Society**
  (CHEM 131) **(CHEM 109)**

- **Intro to Engineering Design**
  (ENES 100)

- **Intro to Computer Applications**
  (CMAP 120)

- **Introduction to Business**
  (BSAD 101)

Note: ELAI 990 students can also take courses with no listed assessment levels or prerequisites . A list of those courses may be found **HERE**.

Updated 4/01/23

ELAI 990 students may also take any **MATH COURSE** for which they are eligible.

Be sure to take the Math placement test to see which courses you are eligible for.

Talk to your professor or a counselor to see if any of these options is right for you.

ELAI 990 students can now also register for these Comp Sci courses:

CMSC 110 ♦ **CMSC 135** ♦ **CMSC 140**
