GRAPHIC DESIGN AREA OF CONCENTRATION, GRAPHIC DESIGN AAS: 304A

Total Credits: 60
Catalog Edition: 2019-2020

Program Description

(R): 304A

The graphic design degree prepares the student for employment in the field of graphic communication, or for possible transfer to a four-year institution. Emphasis is placed on the creative application of design principles and problem solving in graphic design and communication, using both traditional and industry standard digital tools.

Program Outcomes

Upon completion of this program a student will be able to:

- Demonstrate solid foundation skills and competency in a range of media, techniques, and knowledge of associated processes to create products for a specified purpose or audience.
- Apply visual problem solving that employs appropriate technical skills and techniques.
- Evaluate the creativity of ideas and concepts for visual communication.
