

MONTGOMERY COLLEGE *Foundation*

Innovation Grant

2023-2024 Grant Theme

“Innovations in Connections, Completion, and Community”

2023-2024 Grant Amount

\$40,000.00

Proposals that demonstrate how they will enhance the student experience across various learning environments, aiming not just at academic success but also at contributing to a richer community fabric will be highly considered.

Projects that have a direct linkage to student success, social justice, equity and inclusion, advance student completion, and extend the impact of our educational environment into the community are ideal initiatives for this grant.

This grant is made possible through the generosity of Montgomery College Foundation donors. Award winners will be notified at the end of April and recognized at the closing meeting in May.

Who is eligible to apply?

Faculty, staff, administrators, and students. Collaboration among faculty, staff, students, and administrators on projects is encouraged. Students desiring to apply must partner with a college employee to apply.

Grant Application Submission Deadline is March 19, 2024.

Projects must conclude by May 31, 2025.
