This document creates a *Memorandum of Understanding* (MOU) between Montgomery College (MC) and the School of Education of Notre Dame of Maryland University (NDMU). The purpose of this *Memorandum of Understanding* is to establish a framework for MC and NDMU to work collaboratively in designing and offering needed coursework for MC students to graduate from Montgomery College with an A.A.S. in Early Childhood Education Technology, A.A.T. in Early Childhood Education/Early Childhood Special Education or A.A.T. in Elementary Education/Elementary Special Education and pursue a Bachelor's Degree in Education (Elementary, Special Education, ESOL, Elementary/Early Childhood) with NDMU. The coursework provided should reflect best practices and provide models of evidenced-based effective teaching and learning to assist MC students to be highly effective educators.

Benefits and Responsibilities

To the greatest extent possible, each partner shall share in the support and sustainability of this partnership.

MC will benefit in the following ways:

- To address access, MC students will have the opportunity to complete an Associate's Degree and transfer credits to NDMU to complete a Bachelor's Degree in Education on the campus of Montgomery College.
- To address cost to degree, MC students will receive, per class, a \$300 Partnership Scholarship from NDMU to complete their degree.

The responsibilities of MC are as follows:

- Make arrangements for classrooms/computers labs, at no cost.
- Marketing of program/and publishing course offerings
- If appropriate, select MC instructors to teach courses in collaboration with NDMU

Notre Dame of Maryland University will benefit in the following ways:

- Increase enrollment of students seeking high-caliber courses designed to fulfill the Maryland State Department of Education (MSDE) requirements
- Develop a collaborative partnership with MC for the purpose of increasing the number of certified teachers in the school system, the County, and the State
- Through the collaborative partnership with MC, continue exploration of new opportunities to address critical teacher shortages and design alternative programs which will accelerate the training of quality teacher candidates.

The responsibilities of NDMU are as follows:

- Offer and staff courses

- Participate in the advising process to work with MC students transitioning to NDMU program
- Provide a sequence of courses leading to certification that is NCATE accredited and MSDE approved
- Collaborate with MC to monitor and advise candidates throughout the educational and certification process
- Provide a discount to MC students to increase affordability and increase student retention and completion (for the use of MC classrooms)

Program Evaluation

The participation and success rate of the program participants will be monitored on an ongoing basis. Data collection will be conducted to capture the following information on candidates:

- The completion of a proposed program of study appropriate for each candidate
- A list of candidates who completed all course work and PRAXIS II requirements of the Maryland State Department of Education for certification.
