UNIVERSITY SYSTEM OF MARYLAND

TOWSON UNIVERSITY

Founded in 1866, Towson University is recognized as one of the nation's best regional public universities, offering more than 100 bachelor's, master's and doctoral degree programs in liberal arts, business, health professions, sciences, math and technology and other applied professional fields.

Located just eight miles north of Baltimore City and 45 miles from Washington, D.C., Towson University is situated within 120 miles of seven percent of the U.S. population (about 20 million people). The institution is nationally recognized, as evidenced by its 2015 ranking by the *U.S. News & World Report* as 12th in public regional universities in the North.

With 22,284 students, of which 670 are international representing 73 nations, Towson University is among the largest public universities in Maryland. As a metropolitan university, Towson combines research-based learning with practical application. Our many interdisciplinary partnerships with public and private organizations throughout Maryland provide opportunities for research, internships and jobs.
