

## COURSE PLACEMENTS & ASSESSMENT LEVELS

Name: \_\_\_\_\_ Student ID: \_\_\_\_\_ Date: \_\_\_\_\_

Almost all of the courses taught at Montgomery College require students to have a certain knowledge base in English, reading and sometimes math. These requirements are called assessment levels. For example, for a student in their first semester to enroll in Introduction to Business (BA101), they must place into **EN 101/101A, RD 120 & MA101/MA103** based on their Accuplacer test results, SAT scores or TOEFL score.
