

Mid-Semester Review on Writing

Please take a moment to reflect on your writing work so far this semester. Your instructor may ask to see this form.

Identify the grammar areas you needed to work on, based on your diagnostic assessment at the beginning of the semester:

1. _____
2. _____
3. _____
4. _____
5. _____

____ Number of times you worked on your writing on average, per week, this semester.

____ Number of times you visited the Writing and Reading Center.

____ Number of areas you have worked on using the Writing and Reading Center software

____ Number of hours you have spent working on grammar at one or more of the grammar Websites.

You should set aside two hours or so each week for work on your writing skills. For students who have several areas of writing weakness, intensive work on their writing skills is essential and should be considered a priority. This is especially so since writing is a requirement in all academic and professional endeavors and since poor writing has proven to be a serious impediment to personal progress!
