

Distribution of Enrolled Credits, Full-time/Part-time Status, Day/Evening Attendance, Residence, Enrollment by Region

Distribution of Enrolled Credits

More than one-third (36.0%) of the students attend on a full-time basis (12 credits or more)—a moderate decrease from last fall's 38.7%. The average (mean) credit load decreased to 9.12 (from 9.24).

Of the 7,154 students at Germantown this fall, 40.3% were enrolled full-time at the College (a drop from 44.4% last fall), while of Rockville's 17,292 students, 39.4% were full-time (vs. 42.2% last fall), and of Takoma Park/Silver Spring's 7,449 students, 34.8% were full-time (down from 36.9% last fall).

Full-time/Part-time Status

By Race – The percentage of full-time students who are Black increased from 28.6% to 29.8% of full-time students and Multi-Race students increased from 9.2% to 10.1% of full-time students.

By Age – Among full-time students, 59% were age 20 and under, while only 31% of part-time students were 20 or younger.

By Gender – Of the full-time students, 49.2% were female and 50.8% were male. Proportionately, more male students attend full-time (39.1%) than do females (33.3%).

Day/Evening Attendance

More than half of the students (61.8%) attend classes *only* during the day, about one-in-eight (13.2%) attend *only* in the evening, and one-in-five (20.5%) attend *both* day and evening classes. Thus, more than three-fourths of the students (82%) are here in the daytime and one-third (34%) are here in the evening. The Germantown campus had the largest proportion of students taking some or all of their classes in the evening (40.2%), followed by Rockville (35.0%) and then Takoma Park / Silver Spring (24.4%).

Residence

Montgomery County residents comprise 90.1% of the student body – 95% of the Germantown students, 93% of Rockville students, and 79% of Takoma Park / Silver Spring students were In-County. In-State, but Out-of-County students increased to 4.7% of all students. Out-of-State students decreased to 5.2% of the student population.

Enrollment by Region

About four-in-ten of the county residents enrolled this fall live in the *upper* and *middle* regions of the county (40.2% and 37.4% respectively), while one-in-five (20.6%) live in the *down-county* region.
