

MONTGOMERY COLLEGE
Department of Mathematics
Rockville Campus
TUTORING SERVICES

Note: The following information is provided as a service. It does not imply that the individuals are endorsed by Montgomery College, the Math/Science Center, or one of its academic departments. Further, the Math/Science Center is not involved in the student/tutor relationship; hours, fees, location, etc. are to be determined by the student and tutor.

** CRLA stands for College Reading and Learning Association. There are three levels of CRLA certification: Level I, Regular, requires a minimum of 10 hours of tutor training and 25 hours of tutoring; Level II, Advanced, requires an additional minimum of 10 hours of tutor training and 25 hours of tutoring, and Level III, Master, requires an additional minimum of 10 hours of tutor training and 25 hours of tutoring.

| NAME | CONTACT INFORMATION | DESCRIPTION |
|---|--|---|
| MATH | | |
| Faraz Abedini Montgomery County | C: 240-394-2040 Faraz_sohi@yahoo.com | Montgomery College student. Tutor for high school and college level mathematics (prealgebra, pre-calculus, calculus I, and II). Call for details. |
| David Abrams Rockville | C: 301-871-8904 engineerdavidab@yahoo.com | B.S. in electrical engineering, ME in Electrical Engineering from UMCP, and 6 years experience as a math tutor. Tutors math ranging from pre-algebra to calculus II. |
| Maria Aronne | H; 240-235-9367 W: 240-567-5193 | Full time professor at Montgomery College. Tutors all math courses.(NO M.C. STUDENTS DURING SEMESTER EMPLOYED AT M.C.) |
| Alexander Bathula Germantown | H: 301- 972-9119 W: 301- 279-5214 | Full time professor at Montgomery College. All courses. (NO M.C. STUDENTS DURING SEMESTER EMPLOYED AT M.C.) \$65.00 per hour. Tutors all math courses. |
| Mary Baxter Silver Spring/Burtonsville | H: 301-933-1826 | Adjunct Faculty/Tutor at Montgomery College. (NO M.C. STUDENTS DURING SEMESTER EMPLOYED AT M.C.) Retired aerospace engineer with Bachelors in Math/Computer Science and M.S. in Education. Tutor: Pre-Algebra, elementary algebra, intermediate algebra, SAT Math, Statistics, Calculus |
| Pallavi Bhale** Olney & Montgomery County | H: 240-342-2061 pallavi.bhale@montgomerycollege.edu | Adjunct Faculty at Montgomery College. (NO M.C. STUDENTS DURING SEMESTER EMPLOYED AT M.C.) Tutor: prealgebra, elementary algebra, intermediate algebra, precalculus, calculus, GRE math, SAT math, GMAT math. |
| Ted Brandt Rockville | 240-778-4089 | Electrical Engineering student at UMD: College Park, willing to tutor pre-algebra, algebra 2, algebra, geometry, pre-calc, calc 1 and 2, linear algebra, potentially calc III and diff. eq. But I would most likely need to know the topic of choice and prepare a bit ahead. I can meet on the MC campus, or come to another location if needed. |
| Liliana Carrillo Rockville | C/H: 240-784-6229 liecse@yahoo.com | I am a student of the Biotechnology program at Montgomery College available to tutor math, mainly algebra, and have taken Calculus. I have been on the Dean's List at MC for 4 consecutive semesters and a member of Phi Theta Kappa. I have a bachelor's degree in chemistry from Colombia and a couple years of tutoring experience. |

| NAME | CONTACT INFORMATION | DESCRIPTION |
|--|---|--|
| Mick Collins Montgomery County | mickclns@mac.com 301-946-8469 | Full time tutor since 2001 - all math, computer science, SAT. 120 hours graduate math (4.0). BA Interdisciplinary (concentration math), BS CS. LD tutor training. Taught 5 years Auburn U., also H.S. & M.S. (combined 3+ years). Work on (any combination - student's decision) foundation skills, current homework, projects, etc, preview (prevent being overwhelmed by new material). Refs available. |
| Zana Coulibaly** Burtonsville | C: 240-602-2431 zancoste@gmail.com | Pre-Algebra, Algebra, Pre-Calculus, Calculus, Linear Algebra, Probability, Differential Equations, Calculus III. All MC math classes except MA116 (statistics). Former MC student current UMBC student. CRLA* certified at the Advanced Level II. I will enjoy tutoring almost all math courses offered at MC provided the student is willing to learn. I have been a tutor for the Math/Science Center for 4 semesters, so we will have lots of fun learning. |
| Erik Feldner Montgomery Village | 301-963-1772 | Elementary and junior high school mathematics. |
| James Foley New Carrollton & Largo | 240-988-1024 james_foley@verizon.net | Self taught mathematician. 25+ years experience teaching & tutoring. Summer availability in New Carrollton (Mon. – Sat.). Limited availability Sept – May. \$40/hr. |
| Hanan Gancz, Ph.D. Montgomery County | 240-751-8894 hg.mathtutor@gmail.com | B.Sc. in Engineering, M.Sc. and Ph.D. in life Sciences. Tutor: Pre-Algebra, elementary algebra, intermediate algebra, geometry, trigonometry, pre-calculus, Calculus, SAT Math. I am flexible with location and my rates are negotiable. |
| Franklin Gavilanez Germantown/Gaithersburg | W: 240-567-5197 franklin.gavilanez@montgomerycollege.edu | PhD in math and full time professor at Montgomery College. Tutors math courses. Speaks fluent Italian and Spanish. (NO M.C. STUDENTS DURING SEMESTER EMPLOYED AT M.C.) |
| Christel Gesterling Montgomery County | 240-601-7348 cgesterling@gmail.com | Current engineering student at MC with 8 years of tutoring experience, very reasonable rates, and I come to you! I tutor all ages and all levels (IM-7, Algebra, Geometry, Algebra 2, Pre-Calculus, Calculus, SAT Prep, etc.) and can provide excellent references. |
| Katayoun (Kathy) Gharegozly Bethesda | C: 301-221-9897 katayounGH@yahoo.com | B.S. in Mathematics Math Tutor in M.C. Tutor in MA100-091-090 & SAT |
| Pegah Ghiasi | 301-906-6076 pghiasi@umd.edu | B.S. in General Biology from University of Maryland College Park Courses: Algebra |
| Meenal Gore | C: 301-704-3365 H: 301-983-4594 gore.meenal@yahoo.com | I am a math tutor who can help you to achieve success in your schoolwork. I have a Bachelors Degree in Biology and several years tutoring experience in science and math. You will achieve academic success. My rates are negotiable. I am able to tutor students in Algebra I, Algebra II, General Math, Math SAT (Algebra and General Math sections). |
| Michael Hansen Washington Metro Area | hansen_mj@yahoo.com | Math tutor for pre-algebra, algebra I, algebra II, and geometry with PhD in Cellular and Molecular Biology. Teaching experience includes 5 years at Harvard University and Harvard Medical School. 15 years experience tutoring high school through medical school students. Price and location are negotiable. |

| NAME | CONTACT INFORMATION | DESCRIPTION |
|---------------------------------------|---|---|
| Angel Herrera Silver Spring | C: 301-237-0938 Angel_777@hotmail.com | Full-time student who has experience tutoring the following math subjects: pre-algebra, algebra, geometry, trigonometry, pre-calculus, calculus I, II, and III (multivariable), SAT prep, and Accuplacer or math placement exam prep. Pursuing CRLA** certification. Fluent in Spanish. |
| Silvia Hou | 301-529-2289 silviahou@gmail.com | University of Maryland graduate in Chemical Engineering who tutors Math, Statistics, and Computer Science (also Chemistry and Physics). |
| Javed Isphani Silver Spring | C: 832-701-2222 H: 301-384-4214 jisphani@gmail.com | M.S. in physics with emphasis of mathematics. Has more than 6 years of college & university experience in teaching. Has good understanding of students learning styles auditory or visual. Has two masters degree, other one in computer science. Will teach C++, C#, VB.net, asp.net programming. |
| Fred Katiraie**, PhD | 240-567-8060 fred.katiraie@montgomerycollege.edu | Full time Mathematics Professor at Montgomery College, CRLA** Certified. Tutors all levels of mathematics courses. (NO M.C. STUDENTS DURING SEMESTER EMPLOYED AT M.C.) |
| Sehr Kayani Rockville | C: 240-246-5454 H: 301-424-4875 skayani@umd.edu sehr.kayani@gmail.com | Tutors middle school, high school, and college math from Algebra through Calculus including Statistics. CRLA** certified tutor with one year tutoring experience of college math. |
| Hammad Khan | 301-529-2414 hammadhk@gwu.edu | ElectroMechanical Engineer/Engineering Management Specialist. Subjects: Mathematics, Physics, Autocad, Project Management, MS Office, Primavera, Control Systems, Mechanical Engineering Subjects. |
| Sadaf Khurshid | 240-422-2356 Sadaf.Khurshid@montgomerycollege.edu | Adjunct Faculty at Montgomery College (NO MC STUDENTS DURING SEMESTER EMPLOYED AT MC). Math tutor for all levels of algebra, geometry, trigonometry, pre-calculus, and calculus. SAT, GRE, GMAT, and advanced placement test tutor. CRLA II Certified, 9 years tutoring experience, and 7 years college level teaching experience. Locations: Rockville, Silver Spring, Olney, Laurel, and Columbia. |
| Dr. Larry Knab | C: 301-573-1024 H: 301-926-8614 larry.knab@yahoo.com | PhD, engineering. Recently retired engineer /program manager from NIST (National Institute of Standards and Technology). Taught college level courses in chemistry, physics, calculus, computer programming (FORTRAN), numerical methods with FORTRAN, probability and statistics, finite mathematics, modern algebra, linear algebra, engineering statics. Tutored chemistry, physics, algebra I, II, geometry, trigonometry, pre-calculus, math SAT. Enjoy tutoring and am patient in explaining each step. |
| Prince Kohli | tutorstatistics1@gmail.com | I am Math/Statistics tutor with over 5 years of experience. I taught Statistics at the University of Akron, OH for 2 years. I have advanced knowledge of SAS, SPSS, and Minitab. I am also familiar with STATA and R programming languages. Credentials: MS - Statistics, GPA 4.0 Subjects taught: Middle School Math, Algebra 1, Algebra 2, Geometry, Calculus, Actuarial Science, Statistics (All Levels) Homework help is also provided. |

| NAME | CONTACT INFORMATION | DESCRIPTION |
|---|---|---|
| Gaetan Luabeya DC Metro Area | C: 213-400-8602 tshibang@usc.edu | Spring 2008 graduate in Structural Civil engineering from University of Southern California. MA 090, 091, 101/103, 105, 180, 181, 182, 280, 282, 284 and MA 116 and 113 (prealgebra, algebra, trigonometry, pre-calculus, calculus I & II, multivariable calculus, differential equations, linear algebra, statistics, and probability. Time and location are flexible and will be scheduled based on student's availability. Hourly rate is negotiable. Fluent in French language. |
| Billy Miller Potomac | 240-601-6677 BG-7@Live.com | Mathematics specializing in: Elementary, Intermediate, Basic Math, Algebra, Geometry, ACT/SAT -26 years teaching experience -Certified teacher with M.Ed. - Private Tutoring since 1987 |
| Elena Mitrione Rockville/Gaithersburg | 301-351-9019 itutormathnow@yahoo.com | I am currently pursuing a Master of Arts in secondary math at the Johns Hopkins University. I have 3 years experience as a high school algebra MCPS teacher. I am not quite fluent in Spanish. |
| Ian Nisson Rockville/Gaithersburg/Germantown | C: 240-381-6384 H: 301-926-7541 inisson@umd.edu | Honors University of Maryland College Park student. Proficient in all math through Calculus I (MA 090 – MA 181) and SAT math portion. |
| Marie-Antoine Noel Washington Metro Area | 703-869-5976 mnoel13@gmail.com | Algebra (all) – Trigonometry – Calculus. I have 2 bachelors (Mathematics and Computer Science). I have been tutoring Math along with foreign languages for 19 years. I do NOT tutor Probability/Statistics and Geometry. I am currently a full-time Network Engineer and offer my tutoring service in the evening and weekends. I cover the entire Washington Metropolitan area. |
| Paul Penniman | H: 202-364-4263 | Calculus, Probability, Statistics, Elementary Algebra; Upper Northwest area. |
| Alexander Povzner | 301-216-2255 | |
| Gail Reichert**, PhD Prince Georges & Montgomery Counties | H: 301-731-5162 C: 301-586-7478 gareichert@gmail.com | Math and Physics tutor at Montgomery College Math/Science Center , CRLA** Certified, Physics PhD. Tutors high school and college level math courses (Pre-algebra through Multivariable Calculus, Statistics), SAT, ACT, SAT Math I and II subject test prep. Reasonable rates, negotiable. |
| Reza Roodsari, PhD Rockville, Potomac, Bethesda, and Gaithersburg | 301-231-0581 khojdar@yahoo.com | I have a PhD in Biological Resources Engineering from UMD, and currently, I teach statistics and advanced mathematics at Graduate School in DC as an adjunct professor. I am available any time on weekdays and weekends at Rockville, Potomac, Bethesda, and Gaithersburg areas. I tutor all levels of math (algebra, trig, geom, calculus) and statistics. |
| Moeketsi (Max) Segojane Bethesda/Rockville | Bioengineer3@gmail.com C: 202-642-7815 | Bioengineering student at Montgomery College. Willing to tutor Algebra, Calculus I, II, and III, Chemistry, Physics, and Biology. Those seeking help from me should pre-assess what they know and what they don't know so we can do things in a timely manner. This process also gives me time to prepare so time is used effectively and efficiently. |
| Adrienne Selis Bethesda | H: 301-320-8077 C: 301-325-3984 | Pre-Algebra through Pre-Calculus Part-Time Faculty at MC |
| Soheil Shahami | 301-943-1213 soheilshahami2060@yahoo.com | Middle School Math – Calculus III. (MA 090, 091, 100, 160, 180, 181, 182, 280, and PH 161) Current Electrical Engineer major at GW & MC. |

| NAME | CONTACT INFORMATION | DESCRIPTION |
|---|--|---|
| Shiva Shahardeh | 301-529-8165 shiva.shahandeh@gmail.com | B.S. in General Biology from University of Maryland College Park. Tutor middle school, high school, and college math from Algebra through Calculus including Statistics. |
| Shiva Shayan Rockville | C:240-413-1199 H:301-77-4344 sshayan@umd.edu | University of Maryland student. Senior, majoring in civil and environmental engineering and minor in project management. Tutor for high school and college level mathematics (prealgebra, algebra I and II, precalculus, calculus I) |
| John Sommers Bethesda | 301-530-6541 sommersjp@msn.com | MA Mathematics and PhD Mathematical Statistics. Experience tutoring and teaching up to Calculus I and most undergraduate statistics courses. |
| Stephen Winkler Rockville | 301-530-8727 | Retired from Montgomery County School system. Part-time Faculty at Montgomery College Mathematics Dept. (NO MC STUDENTS DURING SEMESTER EMPLOYED AT MC.) Can tutor all levels up to MA 131. Active in tutoring for SAT's. |
| Murray W. Wolf Silver Spring | H: 301-384-1531 | Masters in Mathematics. 30 years experience with the Prince George's Public Schools and teaching all levels of math. Will teach all levels in Mathematics. Specialize in Algebra I, II, Trig., Pre-Cal. and SAT Math Preparation. |
| Claude Young Rockville | H: 301-874-1830 W: 301-924-3253 C: 240-286-4686 | Currently teaching at Sherwood High School. Tutoring at ALL levels. Also tutoring at S.A.T. in Math. |
| Lesley Zane Potomac | 240-888-2589 | Tutor in Mathematics. Experienced licensed math teacher – specialty in elementary and basic math. |
| Ms. Jama Equal Chance Tutoring Center | 703-789-3651 info@equalchance.org | Professional Subject-Based Tutoring Company. Our tutors are former and current teachers. We tutor all levels of mathematics. |
| BIOLOGY | | |
| Liliana Carrillo Rockville | C/H: 240-784-6229 licse@yahoo.com | I have completed the the Biotechnology program at Montgomery College; available to tutor biology and chemistry. I have been on the Dean's List at MC for 4 consecutive semesters and a member of Phi Theta Kappa. I have a bachelor's degree in chemistry from Colombia and a couple years of tutoring experience. |
| CHEMISTRY | | |
| Liliana Carrillo Rockville | C/H: 240-784-6229 licse@yahoo.com | I have completed the Biotechnology program at Montgomery College; available to tutor chemistry including stoichiometry, inorganic nomenclature, compounds, organic reactions, methods of substitution, any subject related with organic and inorganic chemistry, and biochemistry. I have been on the Dean's List at MC for 3 consecutive semesters and a member of Phi Theta Kappa. I have a bachelor's degree in chemistry from Colombia and a couple years of tutoring experience. |
| Howard L. Dobres | H: 301-890-8311 C: 301-706-0206 HLDOBRES@aol.com | Tutors Freshman/Organic Chemistry (College/University) and Chemistry (High School). I am a Retired Federal Forensic Chemist and Crime Lab Director. I have been teaching College Chemistry at Community Colleges in Illinois and Maryland since 1979, on a part time basis. I have considerable tutoring experience both at the high school and college level. (NO MC STUDENTS DURING SEMESTER EMPLOYED AT MC) |

| NAME | CONTACT INFORMATION | DESCRIPTION |
|---|--|---|
| Ray Dykeman Bethesda, Chevy Chase, Kensington, Potomac | C: 301-717-8224 rdtutoring@aol.com | I am an outstanding tutor and have many references available. I tutor Chemistry, Organic Chemistry, Biochemistry, and Algebra. I am a chemist by training and have taught university and high school level chemistry. I currently run my own company and I tutor students as well. My hours are very flexible. I meet students in my office, at the Bethesda Library, or at local coffee shops. My rates are \$50.00 per hour during the day time hours and during the summer. |
| Michael Hansen Washington Metro Area | hansen_mj@yahoo.com | Chemistry and biochemistry tutor with PhD in Cellular and Molecular Biology. Teaching experience includes 5 years at Harvard University and Harvard Medical School. 15 years experience tutoring high school through medical school students. Price and location are negotiable. |
| Silvia Hou | 301-529-2289 silviahou@gmail.com | Proven track record with Chemistry and Organic Chemistry tutoring (CH 101, 102, 135, 203, 204). Improved student performance up to 2 letter grades. University of Maryland graduate in Chemical Engineering. I also tutor Math, Statistics, Physics and Computer Science. |
| Nurten Karasen | 202-641-2208 | General Chemistry, CH 100,101,102,103,109,135 |
| Dr. Larry Knab | C: 301-573-1024 H: 301-926-8614 larry.knab@yahoo.com | PhD, engineering. Recently retired engineer /program manager from NIST (National Institute of Standards and Technology). Taught college level courses in chemistry, physics, and math courses (see math description). Tutored chemistry, physics, and math. Enjoy tutoring and am patient in explaining each step. |
| Shiva Shahardeh | 301-529-8165 shiva.shahandeh@gmail.com | B.S. in General Biology from University of Maryland College Park. Tutor middle school, high school, and college General Chemistry. |
| PHYSICS & ENGINEERING | | |
| John Abrahams | bahkified@gmail.com | Physics tutor. |
| Rose Faghih | 240-305-8101 rtfaghih@yahoo.com | Physics tutor. |
| Fred Katiraie, PhD | 240-567-8060 fred.katiraie@montgomerycollege.edu | Full time Mathematics Professor at Montgomery College, CRLA** Certified. Tutors all levels of physics courses. (No M.C. Students During Semester Employed at M.C.) |
| Dr. Larry Knab | C: 301-573-1024 H: 301-926-8614 larry.knab@yahoo.com | PhD, engineering. Recently retired engineer /program manager from NIST (National Institute of Standards and Technology). Taught college level courses in chemistry, physics, and math courses (see math description). Tutored chemistry, physics, and math. Enjoy tutoring and am patient in explaining each step. |
| Gaetan Luabeya DC Metro Area | C: 213-400-8602 tshibang@usc.edu | Spring 2008 graduate in Structural Civil engineering from University of Southern California. Physics: general physics (conservation of energy), electricity & magnetism, optics, and modern physics. Engineering: statics, mechanics of materials (deformable bodies), dynamics, thermodynamics, scientific engineering computation (Matlab). Time and location are flexible and will be scheduled based on student's availability. Hourly rate is negotiable. Fluent in French language. |

| NAME | CONTACT INFORMATION | DESCRIPTION |
|---|---|--|
| Davi Marwell | 301-655-0493 davimarwell@hotmail.com | Physics tutor. |
| Gail Reichert**, PhD Prince Georges & Montgomery Counties | H: 301-731-5162 C: 301-586-7478 gareichert@gmail.com | Math and Physics tutor at Montgomery College Math/Science Center , CRLA** Certified, Physics PhD. Tutors high school and college level physics (classical and modern) and astronomy courses, SAT Physics subject test prep. Reasonable rates, negotiable. |
| Reza Roodsari, PhD Rockville, Potomac, Bethesda, and Gaithersburg | 301-231-0581 khojdar@yahoo.com | I have a PhD in Biological Resources Engineering from UMD, and currently, I teach statistics and advanced mathematics at Graduate School in DC as an adjunct professor. I am available any time on weekdays and weekends at Rockville, Potomac, Bethesda, and Gaithersburg areas. I tutor physics, statics and dynamics. |
| Moeketsi (Max) Segojane Bethesda/Rockville | Bioengineer3@gmail.com C: 202-642-7815 | Bioengineering student at Montgomery College. Willing to tutor Algebra, Calculus I, II, and III, Chemistry, Physics, and Biology. Those seeking help from me should pre-assess what they know and what they don't know so we can do things in a timely manner. This process also gives me time to prepare so time is used effectively and efficiently. |
| Soheil Shahami | 301-943-1213 soheilshahami2060@yahoo.com | PH 161; Current Electrical Engineer major at GW & MC. |
| Kevin Wilkerson | 301-926-0161 | Physics Tutor |
