

Welcome to the Office of Adult Student Services!

Although we have changed our name, from Adult Re-entry Program, our goal is still the same....to assist and support you during your time at Montgomery College.

I am thrilled that you have taken this very courageous step to complete your college degree. While this can be an exciting time, it can also be a little confusing and you might even be a little nervous about this journey. This is where our office comes in. We are here to assist you and help you make your way to graduation. Our staff is committed to answering questions, discussing academic, career, and personal issues that may arise along the way; as well as refer you to the appropriate offices on campus.

We encourage you to stop by and visit us at the Campus Center, Room 17. We are open until 7pm on Tuesdays and Wednesdays. On Monday and Thursday evenings, the Counseling and Advising Center is open until 7pm and can answer your questions as well. If you can't come in, you can email your questions and concerns to us at [adultreentry@montgomerycollege.edu](mailto:adultreentry@montgomerycollege.edu) or call us at 240-567-4243.

I, too, have just joined the Montgomery College community. As the new Director of Adult Student Services, I am looking forward to meeting you and providing services that meet your needs and fit into your demanding schedules. As an adult student, you may manage a household, job, family and now a college career. We hope the services and programs we provide can make it a little easier for you to balance these various parts of your life.

Again, please feel free to stop by our office and I look forward to seeing you at one of our programs. Have a great spring semester!

Best,  
Wilmara Manuel  
Director
