

#### HOSPITALITY MANAGEMENT AAS

Food and Beverage Management Track: 347A

Total Credits: 60 Catalog Editions: 2017-2018

### **Program Description**

This program of study is for the student preparing to enter the Lodging and Food Service industry in a supervisory and management capacity. The curriculum contains a core of required courses and General Education requirements. Students can customize their remaining studies by taking one of two tracks: Food and Beverage Management, and Supervision/Management.

## **Program Outcomes**

Upon completion of this program a student will be able to:

- Demonstrate knowledge of the broad scope and complexity of the hospitality industry.
- Identify key components of exemplary customer service and explain how hospitality employees perform responsibilities in an ethical manner.
- Explain the importance of respecting and promoting diversity, and demonstrate cultural competency in the hospitality industry.
- Demonstrate ability to work individually or in a team to effectively identify, assess, and generate solutions for managerial challenges in the hospitality industry.

#### **Related Careers**

- Food service managers
- First-line supervisors of Food Preparation and Serving Workers
