

**Secondary Education–Spanish  
Associate of Arts in Teaching (AAT): 602  
Total Credits: 61  
Catalog Edition: 2018-2019**

**Program Description**

This curriculum prepares students to transfer to any secondary education Spanish program at a four-year college or university in the state of Maryland. The AAT articulates with all Maryland transfer programs in secondary Spanish education. The program enables students to fulfill their General Education requirements, participate in fieldwork experiences, and complete a core of professional education coursework appropriate for the first two years of teacher preparation. To earn the AAT students must achieve a minimum of a 2.75 cumulative GPA and present acceptable scores on a state-approved basic skills test.

**Program Outcomes**

- Identify major historical events in education and analyze the impact of those events with current educational trends.
- Identify the psychological, cognitive, emotional, and physical characteristics of typically developing children and adolescents, with specific consideration to disabilities and cultural and linguistic diversity.
- Analyze and critique current scientifically-based research and culturally responsive instructional practices for the purpose of understanding the educational needs of students and families.
- Identify the current and inclusive philosophies for differentiating instruction to analyze, improve, and facilitate instruction for diverse learners.
- Demonstrate and utilize technology as a teaching/reinforcement tool.
- Develop excellent written, verbal, critical thinking, and problem solving skills, which will allow him or her to effectively make connections between prior knowledge/experience and new learning.
- Demonstrate proficiency in the Spanish language through the level of Intermediate II, including spoken and written language, composition, and Latin American literature.
