How to Search for ATPA Embedded Support Courses

The Achieving the Promise Academy (ATPA) provides academic support for student success through embedded classroom support and one-on-one academic coaching. Any student at MC who registers for a course offering ATPA embedded support will receive targeted coaching in relevant coursework for the semester. Courses offering ATPA embedded support (ACCT 221, ACCT 222, BIOL 150, CCJS 110, CHEM 131, CHEM 135, ENGL 102, MATH 117, MATH 120, MATH 165, MATH 181, PHYS 161, or PSYC 102*) are identified in the course schedule. Follow the instructions below to perform a search:

1. Go to montgomerycollege.edu
2. Hover over the tab called "Apply & Register"
3. Click on "Search the Class Schedule"
4. Click on the "Advanced Search" link (beneath the yellow "Show Classes" button)
5. Select the appropriate term/semester
6. Select a subject
7. Under "Attribute Type," select "ATPA Support"
8. Click "Class Search"

If you have questions, please email ATPA Program Coordinator Eurae Muhn at eurae.muhn@montgomerycollege.edu.

If you also desire more holistic, individualized academic coaching every semester for all your courses and other areas of need, you can apply for one-on-one academic coaching. During your time at MC, your one-on-one academic coach will help you stay on track to complete your program of study successfully—and graduate on time. No matter where you are on your academic journey, ATPA supports your academic success while at MC. For more information or to request a coach, visit montgomerycollege.edu/ATPA.
