

Honors Program Montgomery College

The Honors Program at Montgomery College is a college-wide program for high-ability, motivated students. The Honors Program is the umbrella program for all of the honors coursework at the college as well as the special honors programs.

Location: all 3 campuses

Coursework:

Honors modules (HM suffix) – honors enriched coursework, paired with standard class section.

Honors sections of existing classes (HC suffix) – classes with all honors students for standard course offerings.

Honors tutorials (HP prefix) – small seminar classes on special topics.

Honors independent study (HP prefix) – student initiated independent research projects guided by faculty

Eligibility: meet one of the following criteria:

- Completion of at least 12 MC credits with ≥ 3.2 GPA in transfer-level classes, including EN101 or EN101A with a grade of A or B.
- SAT scores of 600 on each section and a minimum high school GPA of 3.5, unweighted.
- Eligibility for EN102, as determined by the MC placement process, and a minimum high school GPA of 3.5, unweighted
- Acceptance into one of the special honors programs described below.

Scholarships: a limited number of course scholarships are available each spring semester

Transcript Recognition: Honors Program recognition is given on the transcript and noted in the Commencement program to students who complete 15 credits in honors coursework across 3 disciplines while maintaining a cumulative GPA of 3.2 or higher.

Additional Educational Opportunities: Smithsonian, Library of Congress and United States Holocaust Memorial Museum internships, Beacon conference paper submissions, Honors Colloquium and conference presentations.
