Project Name: MC World Music Outreach Program

Project Director: Dawn Avery & Miriam Carter

Project Update:

A flyer was designed and distributed to attract community members to our World Ensemble. We have had approximately 30 new members attend so far, including members of Howard College and University of Maryland, College Park.

Information, photos and music is being compiled for our new web design, complete with community links for Community World Arts events and opportunities. Assembly Programs are currently being set-up and a community fund-raiser for the Rosebud Reserve Elder's Fuel Fund is being produced on November 12, 2006 in the Theatre Arts Arena, which will include community service by members of the World Ensemble.

Several classes on the business of world music and coaching in specific world music styles are being reviewed for later selection
