**Project Name:** Rebuilding Together Montgomery County (RTMC)

**Project Director:** Mario Parcan

**Project Starting and Ending Date:** 2/1/07-4/29/07

**Brief description of the project:** MC Students and volunteers will work in partnership with RTMC to assist low income homeowners with house improvements, repairs and remodeling tasks.

**State fundamental need or concern addressed in this project:**

Assisting low-income homeowners through a volunteer effort bringing together the community, MC students and volunteers.

**List the project's core goals and/or objectives:**

- The importance and awareness of a community service effort to assist low income homeowners by providing them with a safe and independent living environment.
- Students will apply their planning skills to prepare for this project and practice their organizational skills and the importance of teamwork.
- Students will organize the team by assigning a house captain, house ambassador and project managers for each major task. As the work progresses, they will execute and monitor specific tasks.

**Who will benefit from this project?**

- The homeowner
- Our students, who will have the opportunity to engage in a true community effort through its planning, organizing, staffing and implementing the project.
- Our students, who will implement some of the skills learned in the classroom, such as Estimating, Management, Scheduling and safety.
