You can ask the students to search the internet for “Annabel Park,” “Eric Byler,” and “Jeff Man,” and they’ll come up with a lot!

The filmmakers:

These folks have put 41 videos on YouTube so far, and there are numerous videos which respondents to the series have posted, too. I recommend your starting with these and watching as many as time allows. These films will give you an introduction to and overview of Annabel and Eric's lives and the genesis and progress of their 9500 Liberty project.
