

Legal Services Benefit Plan

Through **Legal Resources**, employees can get advice, consultation and courtroom representation for commonly used legal services.

HOW THE LEGAL PLAN WORKS:

1. All attorney fees for services provided by the Master Plan Summary of Services are **covered at 100%** by your payroll deduction. Just a **few examples** of these services are:

- *Will Preparation*
- *Attorney Fees for buying and selling homes*
- *Credit Issues/Warranty Disputes*
- *Traffic violations*
- *Family Law (including Uncontested Divorce & Adoption)*
- *Identity Theft Services*
- *And much more*

Attorney fees not covered in full (i.e. *contested divorce, bankruptcy* etc.) are provided at a **25% discount**.

2. You choose a law firm from the Legal Resources network. The exclusive network is made up of highly qualified law firms. **You choose the law firm you want to work with, you call them directly with your legal need.**
3. The monthly fee is **\$18 per month**. There are **no co-payments, no deductibles and no restrictions on use**. Your plan will provide **coverage for your entire immediate family**.
4. Should you decide to join, you are required to stay in the plan for 12 months. The plan is **portable**. Should you leave your employer, you can retain this benefit.
