

Montgomery College WD&CE
12 South Summit Ave. Gaithersburg, Md. 20877
Transportation Safety Institute

Summer 2011

The Montgomery College Transportation Safety Institute, as part of the **Inclusive** Driver Education Program, offers:

LEARNER PERMIT PREP

Now, before you start your Driver Education Program you **MUST** have your learner permit... so get ready!!!!

This Learner Permit Prep course is **open to all**, however it is designed by a Special Educator to specifically support students with mild to moderate learning disabilities.

... because preparing for and passing the **Maryland Learner Permit Quiz** can be challenging for many students with learning disabilities.
