## **Brief Introduction**

**According to the second amendment:**

Well regulated militias, being necessary for the security of the free State, the right of the people to keep bear arms shall not be infringed.

### **Opening Statement**

The gun control issue has become a debating line in America. Our objective here today is not to re-write or change the constitution law, but to show why it is necessary to have regulation over guns as it is important to regulate the use of drugs
