

MA 110 BRUNETT TENTATIVE COURSE OUTLINE

Topics to be covered on quizzes will be announced in class & posted on web page. Changes to this schedule will be announced in class and on class web page, check the link: "What did we do in class?". Absence is not an excuse for missing announcements. Consult my web page when you miss class to learn of any changes to this schedule. Please do not email or call me to find out what you missed in class. Homework assignments are included on the class outline for each section. Optional Math XL homework sets are available online.
