**IPEDS Data—Integrated Postsecondary Education Data System**—for the United States Department of Education. IPEDS collects data on the cohort of full-time, first-time degree/certificate-seeking undergraduate students and tracks completion status at 150 percent (3 years) of normal time (2 years) to complete all requirements of their program of study. This information is collected to assist institutions in complying with the requirements of the Student Right-to-Know Act.

\* 1,571 students took credit and WD&CE courses but are only counted once.

\*\* The four-year graduation rate of the Maryland Performance Accountability Report (PAR) cohort, which includes all full-time and part-time students who have attempted 18 credits or more in their first two years at Montgomery College
