In this *Let's Talk!*, we will address LGBTQIA+ young people's struggles with mental health as a result of homophobia, transphobia, and racism, as well as the negative implications of COVID-19 and anti-LGBTQIA+ legislation. Participants will discuss the importance of allyship and holistic support for LGBTQIA+ students at Montgomery College.

Join a panel of speakers, moderated by Montgomery College's CEIO Sharon Wilder, as we discuss this topic. Our panelists include MC students Rebecca Fuchs and Patrick Ibañez, as well as faculty panelists Prof. Monroe Howard-Shackelford and Dr. Lucy Grinnell.
