CONVERSATION
AND DIALOGUE!

Dr. Talton is an award-winning published scholar and speaker in the areas of leadership, diversity, employee and consumer engagement and trust. She is founder and CEO of the award-winning firm Synergy International Limited, Inc., which purpose is to help organizations enhance the intersection of employee leadership, inclusive culture, and consumer needs.

Our dialogue will include a discussion panel and will focus on identifying and discussing the meaning of belonging, ways to foster and cultivate a climate and culture of true belonging, and how each of us can contribute to making MC a place where all people feel welcomed, that they matter, and that they are supported to aspire to their passions and unlock their full potential to thrive.
