

# CULTURE OF CARE

DISCUSSING PRIVILEGE,  
MICROAGGRESSIONS &  
DIFFICULT CONVERSATIONS

**Join us Mon April 10th 2023 to talk about creating a "Culture of Care" at our college! We'll explore the concept of privilege and bias, and learn how to identify and disrupt microaggressions - those subtle verbal and non-verbal slights that can hurt others. By raising our awareness and having difficult conversations, we can work towards a more inclusive and supportive community. So come join us for an engaging discussion!**

**Date and Time: Mon April  
10th 2023 1:30-3:30 pm**

**Location: Germantown  
Campus, Bioscience  
Education Center, 151-152**

**SPEAKER: PARKER  
MCMULLEN BUSHMAN**
