The group discussed its goals for the year in breakout rooms with the objective of adding action items to each goal. Goal 1 is to engage DSS and ATPA for the “How do you do that” videos. Goal 2 focuses on fine tuning the website and exploring efficient and effective ways to communicate with students.

We were unable to get on MCTV’s schedule to complete Goal 1. Maria shared the results of a 2020 survey on students’ preferred communication approaches. MC email was the top choice, Blackboard was number 2 and MyMC was number 3.
