6. Closed Sessions

The Board may convene in closed sessions for the specified purposes and in accordance with the procedures set forth in State law.

Closed sessions are attended only by the Trustees, the President, and other persons invited to attend. Closed sessions shall be called by the Board Chair at the request of any Trustee or of the President of the College. Notice must be given of the closed session as required by State law.

Before the Board meets in closed session, the Board Chair or presiding officer shall conduct a recorded vote on closing the session and make a written statement of the reason for closing the session, including a citation of the authority for closing, and a listing of the topics to be discussed. A copy of the written statement shall be maintained for at least three years after the date of the closed session. To the extent practicable, a copy of the written statement shall be posted on the Board webpage.

Board members and any others invited to attend a closed session shall maintain the confidentiality of any matters discussed at a closed session.

7. Records of Meetings

The Board shall keep minutes of its proceedings. The minutes of open session meeting shall reflect each item considered by the Board, any action that the Board took on each item, and each vote that was recorded. When the Board meets in closed session, the minutes for its next open session shall include a statement of the time, place, and purpose of the closed session, a record of the vote of each member as to closing the session, a citation to the statutory authority for closing the session, and a listing of the topics of discussion, the persons present, and any action taken during the session. Minutes of public session meetings will be posted to the Board’s webpage after approval by the Board, and shall be open to public inspection during ordinary business hours, except that the minutes of a closed session meeting shall be sealed and not open to public inspection in accordance with State law. The minutes are maintained by the Secretary/Treasurer for at least five (5) years after the date of the meeting.

8. Quorum and Adoption of Motions and Resolutions

A quorum shall consist of the number of trustees equal to half the number of duly appointed and serving members (and then rounded down if the calculation results in a fraction) plus one. Motions or resolutions of the Board are adopted by a
majority vote of those present and voting after the establishment of a quorum.

9. Conduct of Meetings

Except as otherwise specifically provided by statute or by resolution of the Board, meetings of the Board, generally, shall be conducted in accordance with the most recently published edition of Robert's Rules of Order.

J. Public and College Personnel Attendance at Meetings

Regular and special meetings are open to the public as provided by law. Members of the staff, faculty, student body, and community are invited and encouraged to attend and observe open meetings of the Board. Except in instances where the public is invited by the Chair or presiding officer to provide testimony or other forms of participation, no member of the public attending an open meeting may participate in such meeting.

1. Written Testimony

Any member of the public may submit written testimony for consideration by the Board by submitting such testimony via email to trustees@montgomerycollege.edu.

2. Recording of Meetings

A member of the public, including any representative of the news media, may record, photograph, videotape, broadcast, televise, or webcast the proceedings of the Board at an open session by means of any type of recorder or camera, if these devices:

a. are operated without bright light that disturbs the Board or other persons attending the session; and

b. do not create excessive noise that disrupts the Board or other persons attending the session.

The presiding officer may restrict the movement of a person who is using a recording device, camera, broadcasting, televising, or webcasting equipment if it is necessary to maintain the orderly conduct of the session.

3. Meeting Decorum

If, in the judgment of the presiding officer, a person's behavior is disruptive to the meeting, that person may be asked to leave. If that person does not leave as requested, the person may be removed.

K. Agendas

1. Preparation of Agendas

The Secretary/Treasurer is responsible for preparation of the agenda.

The agenda may include a "consent agenda," which may contain routine actions, such as approval of Board meeting minutes, and other noncontroversial items that will be grouped together and decided by the
Board under one motion without discussion or debate. Any board member can request that an item be removed from the consent agenda. No reason is required for such a request and no vote on the request shall be taken. Once removed, the item becomes a standard standalone agenda item.

2. **Agenda**

The regular agenda for each Board meeting shall include known items of business or topics for discussion and action at the portion of the meeting that is open, and indicate whether the Board expects to close any portion of the meeting in accordance with applicable State law.

New policy or significant policy modifications are normally first listed on an agenda as a discussion item and at a successive regular meeting for action. Policy modifications may be included on the consent agenda.

3. **Distribution of Agendas to Trustees**

Agendas and meeting materials shall be distributed to Board members on the Board’s electronic portal. Distribution will normally occur one week, or as soon as practically possible, before the scheduled meeting.

4. **Posting of Agendas**

In accordance with State law, the agenda for regular and special public meetings shall be posted on the Board’s website as soon as practicable after the agenda has been determined, but no later than 24 hours before the meeting.

L. **Remote Meetings**

The Board may conduct business remotely using audioconference or videoconference platforms. Such a meeting shall be conducted in accordance with State law. Participating Trustees must have simultaneous aural communication with one another and with the public, if required by law, by means of telephonic or Internet connection.

1. **Quorum**

Trustees participating in a meeting by audioconference or videoconference shall be considered present for purposes of determining a quorum.

2. **Minutes**

Meeting minutes shall indicate how Trustees, who were not in the meeting room, participated in the meeting.

3. **Types of Remote Meetings**

a. A “complete remote meeting” is one in which all Trustees participate and members of the public observe through an audioconference or videoconference platform.

b. A “hybrid remote meeting” is one in which one or more Trustees participate or members of the public observe through an
audioconference or videoconference platform, while others convene in a meeting room.

4. **Device and Communication Service**

Trustees participating in meetings remotely will normally provide the device and communication service subscription necessary to connect to the meeting.

5. **Method of Trustee Connection**

a. **Audioconference**

   The Secretary/Treasurer will designate a phone number or audioconference bridge for audioconference participants and, in the case of a hybrid remote meeting, will provide a speaker phone to be placed in the meeting room in such a way that Trustees there have simultaneous aural communication.

b. **Videoconference**

   The Secretary/Treasurer will designate a system, typically a service operating on the Internet, for videoconference participants and, in the case of a hybrid remote meeting, a projection system to be placed in the meeting room in such a way that Trustees there can see the videoconferencing participant(s) and have simultaneous aural communication.

6. **Notification**

a. **Trustee notification**

   When remote methods are an option, Trustees intending to participate remotely should notify the Secretary/Treasurer before the announcement is posted.

b. **Public notification**

   When an open meeting is planned as a complete or hybrid remote meeting, the Secretary/Treasurer will announce it as such and provide a uniform resource locator (URL) web link for members of the public to observe the meeting.

7. **Participation**

a. **Trustees**

   The Board chair shall provide full participation rights to Trustees participating by remote means.

b. **Public observers**

   When the Board holds open meetings in a complete or hybrid remote format, public observers will be provided simultaneous aural communication.
8. Technical Malfunctions

a. Technical Support

The Secretary/Treasurer will provide for technical support during remote meetings for the portion of the communication system within the College’s control.

b. Malfunctions Affecting Trustee Participants

In the event of a technical malfunction that prevents a Trustee participating remotely from hearing or being heard, at the discretion of the Chair, the meeting may be paused or suspended until the malfunction is corrected. If a remote participant's connection cannot be restored in a reasonable period, the chair can proceed if a quorum is otherwise established by Board members remaining in the meeting room plus other remote participants who have simultaneous aural communication.

c. Malfunctions Affecting Public Observers

During the conduct of a complete remote meeting open to the public, the Secretary/Treasurer will provide a means to monitor the conferencing platform. In the event of a malfunction preventing the public observers from hearing the proceedings, the Secretary/Treasurer will notify the Chair as soon as practically possible. The Chair must suspend the conduct of the meeting until the aural communication is restored.

M. Email Communications

1. Communications for Board Business

a. The College will provide each Trustee with a College email address for the duration of the Trustee’s term. This will be the preferred account for email communications, though a Trustee may choose to use a forwarding configuration to a personal account.

b. Upon completion of a Trustee’s term, the account and its contents will be deactivated.

c. All communications with and among Trustees shall be conducted in accordance with the Maryland Open Meetings Act. Trustees will refrain from engaging in discussions of substantive matters by email. Board members should not use email to interactively communicate among themselves concerning Board business and should avoid using the forward and reply-to-all functions.

d. Official communications with Trustees regarding Board business will be managed by the president or designee.

e. The Chair may set additional expectations or standards regarding email communications.

2. Communications with the Public, College Employees, and Students
a. The Board will provide an email address on its website for public comment. This is the official method for the public, employees, and students to communicate with the Board. The account will be monitored by the chief of staff or designee. These communications will be reported to the Board Chair on a regular basis, who will direct distribution to the board.

b. Trustees will not ordinarily conduct email communications directly with College employees or students. If a Trustee receives a communication on his/her College-provided email address from the public, employees, and/or students, the Trustee will not respond or participate in a discussion, but report the communication to the Board Chair.

N. Comprehensive Liability Insurance and Defense of Sovereign Immunity

The Board may carry comprehensive liability insurance to protect the Board, its agents and employees, and the agents and employees of any community college under its jurisdiction. The purchase of the insurance is for an educational purpose and is a valid educational expense. The Maryland Higher Education Commission may adopt standards for the policies, including a minimum liability coverage which may not be less than $100,000 per occurrence. Any policy purchased after the adoption of these standards shall conform to them.

The Board complies with this section if it is self-insured, for at least such amounts per occurrence as may be required by applicable State law and the rules and regulations of the State insurance commissioner.

This section does not prevent the Board, on its own behalf, from raising the defense of sovereign immunity in a proper case and to any amount of a claim in excess of the limits of an insurance policy or in excess of $100,000 in the case of self-insurance.

O. Trustee Emeritus/Emerita Recognition

1. Eligibility

a. Trustees completing at least one full six-year term of service are eligible for Trustee Emeritus/Emerita status at the time of their retirement from the Board. Granting of Trustee Emeritus/Emerita status will be determined by a majority affirmative vote of the current Trustees.

b. Trustees who do not complete a full six-year term may be nominated at the time of their departure from the Board for Trustee Emeritus/Emerita status by a current member of the Board of Trustees. A nominee may be designated as Trustee Emeritus/Emerita by a majority affirmative vote of the current Trustees.

Resolved, That the president is authorized to implement these changes.
Flexible work arrangements include telecommute, telework, remote work, and alternative work schedules. Flexible work arrangements are not universally available in all occupational job classes and/or positions. Flexible work arrangements may be a condition of employment in certain job classes and positions. Flexible work arrangements must be authorized, in advance, by the appropriate supervisor and administrative unit head.

IV. Unless conditioned on employment or implemented to protect health and safety, flexible work arrangements are a privilege. Flexible work arrangements may be abbreviated or terminated in totality should office coverage become a problem due to any changes in work demands, office staffing, or due to other operational needs. Advanced notice will be given to participating employees stating the rationale for abbreviation or termination. An employee may discontinue participation in flexible work arrangements at any time with notice to a supervisor, except for those where flexible work arrangements are required of the position. Flexible work arrangements are not to permit employees to work at other jobs or to run their own businesses. Failure to fulfill normal work requirements due to other employment may be cause for disciplinary action up to and including discharge.

V. The employee’s compensation, benefits, work status, and work responsibilities will not change due to their participation in flexible work arrangements. The amount of time the employee is expected to work per pay period will not change due to participation in flexible work arrangements.

VI. Employees who participate in flexible work arrangements are subject to all College policies and procedures including, but not limited to those regarding confidentiality; disclosure of information; conflict of interest; and acceptable use of information technology resources. All participants must complete a flexible work arrangement application/agreement.

VII. The Board of Trustees authorizes the College president to establish any procedures necessary to implement this policy.

Policy 45003–Tuition and Fees; State Aid (revised version)
RESPONSIBLE SENIOR ADMINISTRATOR

RESOURCE PERSON

Mr. Dietz
Dr. Gregory
WHEREAS, The Board of Trustees created Policy 45003–Tuition and Fees in 1982; and

WHEREAS, The policy has served an important purpose in setting the College’s tuition structure and meeting the Maryland Higher Education Commission’s requirements for submission for State Aid; and

WHEREAS, The policy has been reviewed by the appropriate College community stakeholders for their feedback and been updated; and

WHEREAS, The president recommends that the Board adopt the modifications; now therefore be it

Resolved, That Policy 45003–Tuition and Fees; State Aid be amended as indicated in the attached draft; and be it further

Resolved, That the president is authorized to implement these changes.
I. Purpose

Maryland law grants authority to the Board of Trustees to set tuition and fees for Montgomery College students, including the authority to “…operate one or more community colleges.” (Education Article of the Annotated Code of Maryland, §16-103 (b)) and to “…charge students reasonable tuition and fees set by it with a view toward making college education available to all qualified individuals at low cost.” (Education Article of the Annotated Code of Maryland, §16-103 (j)).

In addition, the administrative policy of the Maryland Higher Education Commission (“MHEC”) permits approved categories of students to be included in the submission of FTE enrollment of the College for purposes of State Aid; there is no requirement that a category of students not approved for State Aid submission be otherwise submitted for approval by MHEC, unless State Aid is sought for that category of students.

The purpose of this policy is to set forth the basic tuition structure and to meet the MHEC requirements for submission for State Aid, specifically excluding such students from the FTE count if not within a category of students approved by MHEC for State Aid FTE submission. In addition, this policy conforms to any special State policies with respect to tuition rates.

II. Policy Statement

In meeting its responsibilities under the law, and in order to promote the education of all qualified students in the community, it is the policy of the Board of Trustees to provide a quality, affordable education at the least cost for residents of Montgomery County and to recent graduates of Montgomery County public schools, leveraging public investment in these students and providing a seamless educational path from grades K to 14. For each fiscal year, and more often as may be necessary, the Board of Trustees shall set appropriate fees and tuition rates in at least three categories: 1. Montgomery County residents (The “C Rate”); 2. Maryland residents from outside Montgomery County The ("S Rate"), and; 3. Out-of-State residents The ("OS Rate").

III. The Board of Trustees authorizes the President to establish develop specific processes necessary to implement this policy.

<td>The senior vice president for administrative and fiscal services is requesting an award of contract for roof replacement and façade repairs for the High Technology and Science Center (HT) on the Germantown Campus. This roof has reached the end of its expected service life and there are leaks throughout the building. Cracks in the building’s façade will also need to be addressed, along with repairs to brick joints that are in poor condition, and replacement of the building’s spandrel glass. Replacement of this roof will address all existing deficiencies and ensure waterproofing over the next 20 years. In addition, energy efficiency will be enhanced, resulting in long-term energy cost savings, and improved overall building performance. Once replaced, the High Technology and Science Center roof will be up to code. The original pricing submitted by the recommended bidding firm exceeded available project funding. For this reason, the scope of project was reduced to include critical items (roof replacement, repair of cracks and addition of relieving angle at the northeast corner of the building, and replacement of glass spandrels only).</td>

COLLECTIVE BARGAINING AGREEMENT BETWEEN
MONTGOMERY COLLEGE AND THE MONTGOMERY COLLEGE CHAPTER OF THE
AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS

BACKGROUND

Representatives of the Montgomery College Chapter of the American Association of University Professors (“AAUP”) have negotiated in good faith with representatives of the Board of Trustees on a new Collective Bargaining Agreement. AAUP members ratified the agreement on March 29, 2024. The agreement replaces the existing Collective Bargaining Agreement on July 1, 2024, and will expire on June 30, 2027. The new agreement includes changes to the following five (5) articles of the existing agreement:

- **Article 4—Faculty Appointments**
  Complete re-write of this article to provide clarity in the timing of faculty appointments and the evaluation cycle once a faculty member is appointed to a rolling term. Added a section that places the burden on faculty members to ensure they complete their part of the evaluation in a timely manner, so that their delay would not result in a challenge to a recommendation for non-reappointment.

- **Article 5—Workload**
  Complete re-write of the “role of the faculty” that provides clarity that instruction, professional development, and service are all part of the expectations of a full-time faculty member’s job.

- **Article 7, Section 7.1—Scope**
  Provides the chapter president the right to file a grievance on the chapter’s behalf if there is allegation that management has failed to adhere to a Section of Article 7—“Chapter Rights.” This addition does not provide the chapter a right to file a grievance on behalf of faculty for alleged violations of the agreement. The definition of “grievance” under Section 3.1 remains “an allegation by a faculty member that Management has violated an express provision of this Agreement and that such faculty member has been personally aggrieved thereby.”

- **Article 8, Section 8.2(A)—Wages**
  Effective the first day of the academic year, the salary of any faculty member who has been in the bargaining unit for at least one semester as of the beginning of the fiscal 2025 academic year shall be increased by five and three-tenths percent (5.3%), except that no faculty member’s fiscal 2025 academic year salary under this Section 8.2(A) shall exceed $127,432 or be less than $62,319.

- **Article 8, Section 8.2(E)—Compensation Structure Committee**
  The formation of a committee to address the likelihood of a new compensation structure following the conclusion of the compensation study presently being conducted by HRSTM with Segal Consulting. This committee will also address Section 8.2(D) Longevity Compensation.
• **Article 9, Section 9.4—Educational Assistance Program**
  Adjusted benefit amounts between travel and programs, with no increase in overall EAP funding.

**RECOMMENDATION**

It is recommended that the Board of Trustees adopt the attached resolution, approving the new ratified Collective Bargaining Agreement with AAUP; authorizing the Board Chair to execute the ratified Collective Bargaining Agreement; and delegating to the president the authority and responsibility to implement and administer the agreement.

COMPENSATION PROGRAMS IN FISCAL YEAR 2025

BACKGROUND

Each year during the spring, the Board acts on salary recommendations for non-bargaining associate and support staff, department chairs, and administrators subject to the availability of funds. Board action is necessary to authorize salary wage adjustments and establish the salary schedule, consistent with the approved FY25 operating budget, for non-bargaining associate and support staff, department chairs, and administrators, and to authorize funds in support of recognition awards for all eligible employees.

Wages for bargaining unit employees who are members of the American Association of University Professors (AAUP), American Federation of State, County, and Municipal Employees (AFSCME), and Service Employees International Union (SEIU) bargaining units are established through the collective bargaining process.

Budget appropriation for compensation is based on projected resources for FY25. The County supports our compensation increases through the use of our fund balance.

RECOMMENDATION

The president recommends approval of the following actions:

1. **Non-bargaining Associate and Support Staff, Department Chairs, and Administrators Salary Wage Adjustment for FY25**
   
   This resolution authorizes a wage adjustment, defined by Montgomery College as a salary adjustment expressed as a percentage of an employee’s overall base pay, for eligible non-bargaining employees in the amount of five percent (5%) to the extent that an employee’s salary does not exceed the top of the grade level assigned to that employee’s position, effective July 1, 2024.

   Non-bargaining associate and support staff employees whose wage adjustment is less than $1,000, will instead receive a one-time payment (not to the base) of $1,500. This excludes Department Chairs and Administrators.

2. **Special Recognition and Outstanding Service Awards for FY25**
   
   This resolution authorizes one-time, lump sum awards of up to two thousand dollars ($2,000) for special recognition and outstanding service for all eligible employees.

3. **Full-time Faculty, Part-time Faculty, and Staff Member of the Year Awards for FY25**
   
   This resolution authorizes a one-time, lump-sum award of up to five thousand dollars ($5,000) each for excellence in teaching and/or counseling and academic advising (for full-time and part-time faculty) and performance, leadership, and service (for staff) for eligible employees.

4. **Bargaining and Non-Bargaining Associate and Support Staff Shift Differential for FY25**
   
   This resolution authorizes a shift differential of $1.35 for hours actually worked for
those associate and support staff who are regularly scheduled to work 20 or more hours in a work week between the hours of 10:00 p.m. and 6:30 a.m.
