7. REPORTS

A. President's Report

Dr. Pollard opened her report by welcoming everyone to the beginning of the spring semester. She shared that the winter and winter extended terms ended recently with enrollment for both terms up almost 20 percent compared to last year. She also shared that, in contrast, enrollment for the spring semester followed the state and national trends of decline. She reported that current data showed a six percent drop in headcount and a seven percent drop in credit hours compared to last year.

Dr. Pollard then briefed the Board on the actions the College is taking to support those students and employees who would be impacted by the termination of their Temporary Protected Status (TPS). There are approximately 19 students in credit programs approximately 100 to 200 students who are in noncredit programs, who would be adversely affected by TPS termination. In addition, there are two employees with TPS from countries whose status is being terminated.

The president reported that the College has eight semifinalists in the Jack Kent Cooke Undergraduate Transfer Scholarship competition. This prestigious scholarship makes it possible for the nation’s top community college students to complete their bachelor’s degrees by transferring to a selective four-year college or university, providing up to $40,000 per year to each of approximately 45 deserving students selected annually.

Dr. Pollard concluded her report with the announcement that the College was ranked number 12 among best online colleges by BestColleges.com. She recognized the work of the faculty and staff who built and now teach our online programs.
B. Montgomery College 2020 Annual Report

The Board watched a video that outlined the current progress of the College’s strategic plan, which was launched in 2013. The plan’s five themes of educational excellence; access, affordability, and success; economic development; community engagement; and assessment and institutional effectiveness were each highlighted.

C. Chair’s Report

Board Chair Knapp opened his report by thanking the members of the Administrator Council, with whom the Trustees met for the fourth Constituent Conversation of the year earlier that evening.

Board Chair Knapp thanked his colleagues who attended the Maryland Association of Community Colleges’ Trustee Leadership Conference and Legislative Reception in Annapolis, which took place on January 22.

He reported that last month the county executive had asked the College to help solve the county’s shortfall by setting aside $5.3 million in our budget this year; however, the council’s education committee recommended last week that the figure be lowered to $1.3 million.

Board Chair Knapp concluded his report with an announcement that the Board approved a six-month sabbatical for Dr. Pollard to begin on July 1 and that it has asked Dr. Stephen Cain, chief of staff/chief strategy officer, to serve as acting president while Dr. Pollard is away. Board Chair Knapp closed by saying that that the Board looks forward to giving Dr. Pollard this opportunity to work on planning for the College’s future in light of our current needs, and it looks forward to working with Dr. Cain in this role.
