6. REPORTS

A. President’s Report

Dr. Pollard opened her report with an update on the county council’s final decision on our budget. She reminded the Board of their initial request for an increase of $4.3 million, all of which supports salaries and benefits. The county executive only recommended an additional $2 million increase in March, and while we hoped that the county council would consider making up the difference, it decided on an additional $750,000. The increase in the College’s budget is approximately $1.5 million less than our request. Dr. Pollard expressed her appreciation of the county executive and county council for their continued support of Montgomery College.

Dr. Pollard reported that commencement was a great success and thanked the Trustees for their participation. She added that about 900 students walked across the stage at the ceremony in May; overall during the fiscal year, we had approximately 2,700 graduates. Dr. Pollard reported that a very special graduation also occurred on June 1 at the Montgomery County Correctional Facility, where several dozen inmate-learners were celebrated for earning their GEDs.

She continued her report with an update regarding the math and science building at the Takoma Park/Silver Spring Campus. Dr. Pollard stated that we hosted an ice cream social at the campus and invited community members so they could meet the architects from Smith Group JJR and representatives from LINK Strategic Partners. She reported that the design charrette process will begin in earnest this Thursday, June 28. Dr. Pollard concluded her report with reflections on her upcoming sabbatical and thanked the Board and senior staff members.

B. Chair’s Report

Chair Knapp began his report by thanking trustees for their work at the board retreat last Friday, where they discussed a number of key topics as well as preparations for developing the next strategic plan.

He thanked his trustee colleagues again for their exceptional advocacy efforts this year, adding that their engagement has meant so much for our students and the future of the institution.
Chair Knapp concluded his report by encouraging everyone to do their civic duty and vote in the Primary elections, which would be held tomorrow.

C. Liaison’s Reports

Chair Knapp delivered the Montgomery College Foundation liaison’s report on behalf of Trustee Aparicio Blackwell, who was absent. He reported that as of June 10, the Montgomery College Foundation’s MC 2020 $30 million campaign has reached just under $21 million and as of May 31, the foundation has awarded $2.46 million in scholarships, the highest amount ever in foundation history. Chair Knapp thanked Mr. Douglas Firstenberg, who has stepped down after many years of service from the MC Foundation Board of Directors. Chair Knapp announced that the 33rd annual Golf and Tennis Classic will be held Monday, October 22, 2018, at Lakewood Country Club. He concluded his report by thanking Senior Vice President David Sears and the staff of the MC Foundation for all of their hard work and support.

Trustee Levine reported on the Pinkney Innovation Complex at Montgomery College (PIC MC) Foundation Board meeting, which occurred on June 19. Several PIC MC Board members, including Dr. Stephen Cain and Mr. Jim Muir, were recognized for their recent achievements. Executive director, Martha Schoonmaker, reported on current marketing and business development efforts as well as progression of our RISE zone application. The PIC MC Board heard reports from their real estate, treasurer, academic partnerships, and audit/governance committees, as well as status reports from Ms. Margaret Latimer on the Germantown Campus and Mr. David Sears on the Montgomery College Foundation. The evening ended with a reception in honor of outgoing PIC MC Foundation Board chair, Mr. Doug Wrenn, in gratitude for his dedication and service to the College and to the PIC MC Foundation.
