A. President’s Report to the Board

Dr. Pollard provided the Board with highlights of her report. As part of her report, Ms. Cathy Jones, senior vice president for administrative and fiscal services, provided a brief report on the current status of the FY2012 College budget and introduced the new format for the report and Dr. Stephen Cain, chief of staff/chief strategy officer, provided a brief presentation on the
College accreditation. There was a discussion about the frequency of the presentation of the financial report to the Board.

Dr. Pollard asked Dr. Sanjay Rai, vice president and provost of the Germantown Campus, to introduce the India delegation to the College.

Dr. Pollard presented two questions for the Board's discussion:

1. The Board has often spoken about the importance of the “town/gown” relationship and the necessity of being a good neighbor. As we consider the needs and issues of Montgomery County and beyond, what role can you anticipate the College playing to strengthen our community?

Trustees’ responses ranged from looking for partnerships, providing expertise to non-profits, connecting education at an early age, to being a convener for people around pressing issues.

2. As citizen leaders, our trustees volunteer their time and talents to Montgomery College. What motivated you to be of service to the College?

Trustees’ responses included serving the College in another capacity at one time and then seeing the Board as a perfect place to volunteer, Montgomery College cared for her as a student, provided an affordable education, to receiving recommendations from community leaders to apply for a trusteeship.
