5. REPORTS

A. President’s Report

Dr. Pollard gave an introduction of her written report, which focused on the many adaptations implemented by the Office of Human Resources and Strategic Talent Management (HRSTM) in response to the dramatic changes in working conditions during the pandemic.

Dr. Pollard reported that the College has provided employees with new equipment, implemented new leave policies, and adjusted benefits. She added that efficiencies have been realized in the College’s hiring process, wherein new hires are now interviewed virtually and then onboarded remotely.

Dr. Pollard stated that new lines of communication have been established to answer the multitude of questions that have arisen from the COVID-19 pandemic to fulfill the needs of supervision, employee-relations, mental health support, and performance evaluations.

Dr. Pollard concluded her report by offering the following questions to the Trustees for reflection:

1. Which of these changes do you think has the greatest potential to be permanent? And why?
2. What challenges do you envision to making the best of these pandemic-response strategies permanent?

B. Conversations with Constituents

Dr. Pollard introduced guest speaker, County Councilmember Craig Rice.

Trustees engaged Councilmember Rice in conversation about the county’s response to the COVID-19 pandemic, economic rebound and recovery plans, and the College’s role in these matters.

C. Chair’s Report

Board Chair Knapp thanked Councilmember Rice for joining the Board of Trustees meeting and began his report with news of recent advocacy events.

Board Chair Knapp reported that several Trustees participated in the National Legislative Summit, held as a virtual conference by the Association of Community College Trustees. Attendees had an opportunity to interact with other community college trustees from across the nation and advocate for national community college legislative priorities with federal elected officials. As part of the conference, Montgomery College had an opportunity to host a virtual networking reception, which highlighted our Bioscience Education program. The reception was very well attended; and Board Chair Knapp thanked all those who contributed to making the event a success.
Turning to advocacy at the local level, Board Chair Knapp reported that he testified at the County Council’s Capital Budget Hearing on February 9, and that several Trustees met with individual county councilmembers in virtual visits to support the College’s FY22 capital budget request.

In closing his report, Board Chair Knapp reported that the Board continues their work on an anti-racism statement and will submit a draft statement for review ahead of the next Board meeting.

D. Committee and Liaison Report
   Student Success Committee

Trustee Lacey, chair of the Student Success Committee, reported that the committee met on Wednesday, February 3. At that meeting, the committee reviewed the Board of Trustees’ Student Success Goals and heard a progress report on efforts toward meeting those goals.

Trustee Lacey reminded the Board of the Student Success Goals, which were set in 2018:
   • 30 percent for credential attainment
   • 50 percent for transfer
   • 38 percent for baccalaureate attainment after transfer

The committee also received updates on three student success initiatives—the Biomanufacturing Boot Camp, the Academic Master Plan’s Scheduling Initiative, and Start Smart.

Trustee Lacey closed her report with the announcement that the next meeting of the Student Success Committee would take place on May 12.

E. Montgomery College Total Compensation Program Update

Before introducing presenters Krista Leitch Walker and Lynda von Bargen, Dr. Pollard provided the background and context of the Montgomery College Total Compensation Program Update.

Ms. Leitch Walker and Ms. von Bargen provided background information on the College’s former compensation models and previous studies undertaken. With a defined compensation philosophy of being equitable, compliant, and sustainable, Ms. Leitch Walker and Ms. von Bargen announced that the College will undertake a new compensation study in 2021 that will review current compensation of administrators, faculty, and staff. Recommendations from this study will be received by the end of fiscal year 2021.
