Rockville, Maryland

Agenda Item Number: 7C  
September 19, 2022

**GRADUATES RECEIVING THE ASSOCIATE DEGREE AND  
THE PROGRAM CERTIFICATE IN SUMMER, 2022**

BACKGROUND

The Board of Trustees is required to ratify the conferral of degrees and certificates by the faculty, as certified by the college registrar, each semester. In the event that the ratification by the Board of Trustees takes place after the date of conferral of the degrees and certificates to the graduates, the Board of Trustees must ratify, confirm and authorize the conferral retroactively (“nunc pro tunc”) to the past date of conferral.

RECOMMENDATION

The Board of Trustees is asked to ratify, confirm and authorize the conferral of degrees and certificates by the faculty on the list of proposed graduates who have successfully completed the requirements of a program, subject to certification of the college registrar, nunc pro tunc to the date of such conferral action.

**Subject: Graduates Receiving the Associate Degree and the Program Certificate in Summer, 2022**

---

WHEREAS, it is necessary that the Board ratify, confirm and authorize the past conferral of degrees and certificates on the list of certified candidates attached herewith; and

WHEREAS, The college registrar (“the Registrar”) has certified that the students of Montgomery College, as listed on the attachment, are expected to complete successfully in the summer 2022 semester the courses and curriculum prescribed by the faculty, and to meet all other requirements of the College, for the degrees and certificates that those students are seeking; and

WHEREAS, the faculty has thereby conferred upon the students of Montgomery College, as listed on the attachment, their respective associate’s degrees and certificates, subject to certification by the Registrar that such students have met all applicable requirements; and

WHEREAS, the president recommends that the Board approve the following resolution; now therefore be it

Resolved, That the Board of Trustees ratifies, confirms and authorizes the faculty’s conferral upon the students of Montgomery College, as listed on the attachment, of their respective associate’s degrees and certificates, subject to certification by the Registrar that such students have met all applicable requirements, nunc pro tunc to the past date on which such conferral took place.

September 19, 2022

**AWARD OF CONTRACT,  
CUSTODIAL SERVICES FOR CENTRAL SERVICES AND CENTRAL RECEIVING  
BUILDINGS, BID e422-003**

**BACKGROUND**

Request:	Purchase of custodial services for Central Services and Central Receiving buildings
Office/SVP Originating Request:	The Senior Vice President for Administrative and Fiscal Services and the Vice President of Facilities
Award Type:	Competitive
Bid Number:	E422-003
Explanation of Request:	<p>The senior vice president for administrative and fiscal services and the vice president of facilities are requesting custodial services for the Central Services and Central Receiving buildings. The Central Services building is comprised of approximately 126,800 gross square feet of office space, and the existing in-house College custodial staffing levels are insufficient to provide these needed services.</p> <p>Currently, the College's cleaning services are being provided by CJ Maintenance Inc., under a Howard County Government contract to allow for adequate time for the College to issue its own solicitation for a contract.</p>
Reason Being Brought to Board:	Board approval is required for awards valued at \$250,000 and above.
Certification:	The director of procurement certifies that specifications were developed by appropriate College staff, and the chief business/financial strategy officer certifies that funds are planned for and available in the FY23 operating budget.
Annual Dollar Amount:	\$250,000
Vendor Name:	Associated Building Maintenance Company, Inc.
Vendor Address:	2140 Priest Bridge Court, Suite 3 Crofton, Maryland 21114

Minority Status:	Non-minority
Term of Contract:	One-year, with four one-year renewal options.

**RECOMMENDATION**

It is recommended that an award of contract for the purchase of custodial services for the Central Services and Central Receiving buildings be awarded to Associated Building Maintenance Company, Inc. of Crofton, Maryland, for a one-year term, for an estimated not-to-exceed total amount of \$250,000.

It is further recommended that this contract be renewed for four additional one-year periods under the same terms and conditions, provided service is satisfactory, funding is available, and renewals are in the best interest of the College. The five-year estimated not-to-exceed total contract amount is \$1,000,000.

---

WHEREAS, The senior vice president for administrative and fiscal services and the vice president of facilities are requesting an award of contract for the purchase of custodial services for the Central Services and Central Receiving buildings; and

WHEREAS, Existing in-house College custodial staffing levels are insufficient to provide needed cleaning services at the Central Services and Central Receiving buildings; and

WHEREAS, Pursuant to Md. (Educ.) Code Ann. Sec. 16-311(c), a request for proposal was publicly advertised on April 13, 2022, on the Montgomery College Procurement and the State of Maryland eMaryland Marketplace Advantage websites; and

WHEREAS, The director of procurement certifies that specifications were developed by appropriate College staff, and the chief business/financial strategy officer certifies that expenditures are planned for in the FY23 operating budget; and

WHEREAS, 66 firms downloaded the request for proposal, and 19 vendor responses, including 13 proposals that did not achieve the minimum technical score to be considered for the award of contract, were received, read aloud, and recorded, in the procurement office beginning 3:00 p.m. on May 3, 2022; and

WHEREAS, Upon evaluation of submitted proposals by appropriate College staff, it was determined that the proposal submitted by Associated Building Maintenance Company, Inc. of Crofton, Maryland, was the highest ranked, meeting all College requirements; and

WHEREAS, Awards resulting from competitive sealed proposals valued above \$250,000 require Board of Trustees approval; and

WHEREAS, The president of the College recommends the following action; now therefore be it

Resolved, That the Board of Trustees approves a one-year award of contract, for the purchase of custodial services at the Central Services and Central Receiving buildings to Associated Building Maintenance Company, Inc. of Crofton, Maryland, for an estimated not-to-exceed total amount of \$250,000; and be it further

Resolved, That the contract be renewed for four additional one-year periods under the same terms and conditions, at the sole discretion of the College, provided services are satisfactory, funding is available, and renewals are in the best interest of the College, where the total five-year contract estimated not-to-exceed amount is \$1,000,000; and be it further

Resolved, That the president is authorized to sign the contract on behalf of the Board of Trustees.

**SUPPLEMENTAL APPROPRIATION TO THE FY23 CURRENT FUND BUDGET**

BACKGROUND

On July 7, 2022, the County Executive of Montgomery County recommended a supplemental appropriation to the FY23 Operating Budget of Montgomery College in the amount of \$260,000 for the innovative growth in next generation IT Empowerment (ignITE) Hub to advance the work of the Hub by expanding summer activities, adding student and teacher fellowships, career pathway coaching, and information technology training. The Montgomery County Council approved this request and appropriated the funds on July 26, 2022. The FY23 appropriation builds on the initial FY22 \$500,000 appropriation, which provided funding for basic operations including the expansion of Montgomery Can Code (MCC) and three staff people. This funding will help the College meet goals as defined below:

- *Student Fellows*: Training and internship stipends for select students to receive a year of intensive coding activities and an opportunity to intern as lab assistants.
- *Teacher Fellows*: Training for Montgomery County Public School (MCPS) teachers who teach or integrate computer science in the classroom.
- *Career Pathways*: Career coaching on IT and entrepreneurship career pathways.
- *IT Training Funds*: Training opportunities in information technology and entrepreneurship certificates.

The ignITE Hub is an outgrowth of the successful Montgomery Can Code (MCC) program, a partnership with Montgomery County Public School (MCPS), Montgomery County Economic Development Corporation (MCEDC), Montgomery College, and private sector firms. The goals of the ignITE Hub working with an equity lens, are to expand access to education in the Science Technology Engineering and Mathematics (STEM) fields, technology, careers in technology, and to spur community-based problem solving, entrepreneurship, innovation, and collaboration. Students, educators, emerging businesses, nonprofits, and community leaders/residents have access to the space and its resident technology.

RECOMMENDATION

It is recommended that the Board of Trustees approve this appropriation increase in the amount of \$260,000 for the FY23 current fund. This action will increase the FY23 current fund total appropriation to \$274,769,984 and the FY23 county appropriation to the current fund to \$148,409,696.

**THE 2022 PERFORMANCE ACCOUNTABILITY REPORT**

**BACKGROUND**

The Performance Accountability Report (PAR) is the College's annual report on progress toward reaching benchmarks in key indicators of operations. The report is submitted to the Maryland Higher Education Commission (MHEC) each year. PAR indicators have universal statewide definitions.

This accountability reporting system has been in place since 1996, when it was implemented by MHEC. The reporting structure is based on requirements in the Maryland Higher Education Reorganization Act of 1988. At Montgomery College, the Office of Institutional Research and Effectiveness (OIRE) assumes the primary role for providing the quantitative content of the PAR and coordinating the contributions from administrative offices, individual campuses, and Workforce Development & Continuing Education (WDCE). OIRE also assumes the primary role for providing the narrative and coordinating contributions from WDCE.

In addition to a narrative reporting on significant student characteristics and performance metrics and community outreach efforts, the report contains recent trend data on a number of specific quantitative indicators that reflect progress towards benchmarks set by the Board of Trustees on each indicator that requires a benchmark. MHEC considers the College's performance on these indicators as the primary component of assessing the institution's effectiveness, and, at the College, the president incorporates the PAR results in monitoring and assessing institutional performance on relevant internal dimensions, the *Montgomery College Student Success Score Card*.

Upon acceptance of the report by the Board of Trustees, the Performance Accountability Report will be submitted to the Maryland Higher Education Commission.

**RECOMMENDATION**

It is recommended that the Board of Trustees accept the 2022 Montgomery College Performance Accountability Report, and that the president be authorized to submit the report to the Maryland Higher Education Commission.

**AUTHORIZATION FOR LEASE OF SPACE FOR  
THE EAST COUNTY EDUCATION CENTER  
AT 2221 BROADBIRCH DRIVE, SILVER SPRING, MARYLAND**

BACKGROUND

The College delivered an exploratory report on the potential of a Montgomery College presence in the East County to the county executive and the county council in February 2020. As a result of the exploratory work, the College recommended a complete feasibility study to determine community needs, real estate options, and budget requirements. County government leaders concurred with the recommendation and provided financial support for the study.

The feasibility study, known as the East County Presence Feasibility Study, commenced in October 2020. Preliminary information from the study established that the residents of the East County will benefit from the presence of a Montgomery College academic operation. The study was completed in September 2021 and recommended that the College establish an education center in East County in the short term, and continue planning for a fourth campus, including obtaining approvals from appropriate agencies and developing programmatic offerings to serve community and market needs. It also recommended that the College explore long-term real estate opportunities that maximize potential catchment areas by maintaining appropriate distance from existing College campuses, connect to multi-modal transportation networks, and integrate with planned development.

At the Board of Trustees' April 19, 2021, public meeting, based upon initial information developed as part of the feasibility study, the Board approved Resolution 21-04-043, which authorized the president or designees to move forward with development of an East County Education Center, namely, to locate a site, plan programs and services, develop a budget, and seek revenue sources as appropriate, and to execute documents necessary or appropriate to carrying out such authorized actions.

The feasibility study identified a number of site evaluation criteria for a suitable site, including proximity to public transportation such as Ride On and/or a Flash bus rapid transit stop; visibility to a major thoroughfare; adequate parking; proximity to food and shopping options; distance from other MC campuses; proximity to anchor institutions, recreation centers, parks, libraries, high schools, etc.; whether the site is on the market; walkability; and bikeability.

Following a procurement process, the College entered into a real estate broker agreement on February 10, 2022, with Jones Lang LaSalle Americas, Inc. (JLL), to assist the College in finding a location for an education center in the East County.

A letter of intent dated April 11, 2022, was signed by the College and DSC Partners LLC for an approximately 55,193 rentable square foot building located at 2221 Broadbirch Drive, Silver Spring, Maryland, for use as an education center. Pursuant to the letter of intent, a lease has been negotiated for 2221 Broadbirch Drive for a 15-year term at an annual triple net rent of \$22.50 per rentable square foot with an annual escalation of 2.5 percent. Over the 15-year lease, the total base rent to be paid is \$22,268,629. JLL has reviewed the East County office rental market and advises that the proposed rent and terms are consistent with what is available on the market.

The landlord is responsible for the turnkey delivery of the building in accordance with the College's program of requirements for the building, and per space plans to be approved by the College and the landlord. The landlord will provide an allowance for tenant improvements of \$100 per rentable square foot, plus a rental abatement equal to the first-year rent. A range of buildout costs has been preliminarily estimated and will be refined as design advances. If any unforeseen circumstance arises during design, the College must decide its disposition by January 1, 2023. In the unlikely event that an opt-out option is exercised, the College will pay the landlord only for actual incurred costs. Both the allowance and the abatement will be applied to the costs of completing the turnkey delivery of the building. The College will pay the balance of the renovation costs.

The lease term commences upon substantial completion of the construction of the space and includes two options to renew for five years each at market rent. The rent includes 192 surface parking spaces, free of charge for the primary and subsequent renewal options. The College will occupy the entire building and will be responsible for the costs of services to, and ordinary maintenance of, the building. The lease is subject to annual appropriation of the College's budget.

The proposed site is served by public transportation with a Ride On stop at its front entrance and is approximately one third of a mile from the Flash bus rapid transit Tech Road stop on Route MD-29. It is near ample community serving restaurants and retail, close to Adventist HealthCare White Oak Medical Center, FDA, the planned Viva White Oak with related amenities, and existing and planned multi-family communities, and convenient to many public resources.

The College will offer both credit and noncredit classes at the location in fields of interest to residents as we learned when conducting the feasibility study—as well as targeting skill gaps in key industry sectors such as health care (nursing) and IT. These include small business/entrepreneurship, cybersecurity/IT, allied health, early childhood education, English for speakers of other languages, career starter series, and general education.

Board approval is required for lease actions over \$25,000 and/or for a term of more than one year. Sufficient funds are available in the FY23 operating budget for the lease payments and obligations including, as preliminarily estimated, any excess costs for completion of buildout for the College.

### RECOMMENDATION

It is recommended that the Board of Trustees authorize the president to execute a lease agreement for a 15-year term with a total base rent of \$22,268,629 and two optional five-year renewals with DSC Partners LLC, their successors and assigns, and to negotiate and execute such additional documents as may be required to implement the authorization herein provided and to perform and exercise rights conferred under the lease agreement.
