CENTER LIBRARY RENOVATION, TAKOMA PARK/SILVER CAMPUS, PART TWO,
GUARANTEED MAXIMUM PRICE
BID 622-006**

BACKGROUND

Originating Office and Explanation of Request:	The senior vice president for administrative and fiscal services and chief operating officer is requesting a contract spend authority increase to address additional work under the existing contract. Award Type:	Competitive
Reason Being Brought to Board:	Board approval is required for all contract change orders valued at more than 25% of the original approved contract award amount. Although this individual change order amount is below the 25% threshold, previous contract modifications—also under the 25% threshold—have cumulatively increased the total contract value beyond this limit. As a result, this request seeks approval to increase the total contract spend authority accordingly.
Certification:	The chief business/financial strategy officer certifies that funds are planned for and budgeted in the FY26 capital budget.
Change Order Amount:	\$ 28,513
Vendor Name:	Gilbane Building Company

RECOMMENDATION

It is recommended that the Board of Trustees approve an increase in the current contract award spend authority by \$28,513 to cover retro commissioning of the existing roof top unit, water

**CONTRACT CHANGE ORDER,
AWARD OF CONTRACT, CONTINUATION OF VIRTUAL REALITY TRAINING
SIMULATION SOFTWARE, BID e521-015**

BACKGROUND

Originating Office and Explanation of Request:	The senior vice president for academic affairs is requesting the continued use of the Mursion virtual reality training simulation software.
Award Type:	Continuation of Award of Contract
Reason Being Brought to Board:	On November 1, 2020, a contract was awarded to Mursion Inc. of San Francisco, California, for virtual reality training simulation software, under request for bid e521-015. As a result, approval from the Board of Trustees was granted under resolution 22-06-096 to increase the contract's spend authority.
Certification:	The director of procurement affirms that software can only be obtained from the publisher, Mursion Inc., and the chief business/financial strategy officer certifies funds are planned for and budgeted in the FY26 operating budget.
Annual Dollar Amount	\$115,000
Vendor Name:	Mursion Inc.
Address:	2443 Fillmore Street, Suite 515 San Francisco, California 94115
Term:	One year with four one-year renewals
Minority Status:	Non-minority
Minority Classification:	NA

RECOMMENDATION

It is recommended that the Board of Trustees approve a one-year award of contract for the continued use of the virtual reality training simulation software license from Mursion Inc. of

San Francisco, California, for a total, not-to-exceed annual amount of \$115,000.

It is further recommended that contract be renewed for four additional one-year periods under the same terms and conditions, at the sole discretion of the College, provided services are satisfactory, funding is available, and renewals are in the best interest of the College. THE PROPOSED FY27 CAPITAL BUDGET

BACKGROUND

The proposed FY27 capital budget and six-year FY27–32 capital improvement program was presented and discussed at the October 13, 2025, Board of Trustees meeting. The capital improvement program is supported by and implements the College's Facilities Master Plan. The request for FY27 is the second half of the FY27–32 biennial capital budget and totals \$44,034,000. A copy of the proposed capital budget was distributed to the board at its October meeting. Since then, the Maryland State Department of Budget and Management changed the initial state escalation of ten percent to four and a half percent, which resulted in a six-year reduction of \$6,579,000. In addition, a new project was added for collegewide road and parking lot repair. The board's adoption of the proposed FY27 capital budget is necessary for the county executive's consideration of these requests in the county's capital improvement program. Attached is a summary table that shows the proposed FY27 request by project, along with the FY28 request for each project.

RECOMMENDATION

It is recommended that the Board of Trustees adopt the FY27 capital budget, which requests a total of \$44,034,000 and authorize the transmittal of the budget to the county.
