Subject: Retirement Resolution and Award of Emerita Status and the Bronze Medallion to Professor Parvine Windom

WHEREAS, Professor Parvine Windom served Montgomery College and its students with dedication and distinction as a full-time faculty member at the Rockville Campus for 18 years and retired as of July 31, 2010; and

WHEREAS, Professor Windom taught French, Spanish, and Honors courses at all levels and was highly respected by students and colleagues for her teaching, scholarship, and service; and

WHEREAS, Professor Windom brought her international perspective and intellectual contributions to the life of the College in the departments known over the course of her long tenure as the Department of Philosophy, Professional Writing, and Foreign Languages; the Department of Reading, ESL, World Languages and Philosophy; and the Department of World Languages and Philosophy; and

WHEREAS, Professor Windom served as the Foreign Language Coordinator at the Rockville Campus, shepherding the discipline through a time of transition for four years from 1995 to 1999 during which time language enrollments grew substantially; and

WHEREAS, Professor Windom also served as Collegewide World Languages Coordinator in 2009, and as Elementary Spanish Coordinator in the academic years 1999 to 2006; and

WHEREAS, Professor Windom created and taught the first honors courses and modules in Spanish and French, enabling our advanced students in Spanish and French to pursue the study of world languages and literature at an appropriate level without having to seek courses outside the college; and

WHEREAS, Professor Windom created and taught the first-ever trilingual honors courses in Comparative Literature, allowing students to read literary texts in the original French, Spanish, and English and to complete assignments in the language of their choice; and

WHEREAS, Professor Windom served as mentor to her junior colleagues, liberally sharing materials and insights with them, and has served the discipline in the outcomes assessment and general education review processes; and

WHEREAS, Professor Windom served for 12 years as a member of the Honors Committee and actively participated in all honors committee activities, including reviewing and evaluating proposals for new honors courses, participating in the Honors Colloquium and Forum, and serving at information sessions to recruit candidates for the Montgomery Scholars Program and at College weekend brunches to welcome the Montgomery Scholars and their parents; and
WHEREAS, Professor Windom has attended and presented her work on comparative literature and the teaching of Spanish and French at national, local, and international language and humanities symposia to enhance her teaching and to assist her in developing courses that would expand offerings in world languages and humanities; and

WHEREAS, Professor Windom served as a Smithsonian Fellow through the Paul Peck Humanities Institute and served as an International Education Fellow and as a member of the International Education Committee; and

WHEREAS, Professor Windom served with distinction as a member of the Collegewide Affirmative Action Committee; and

WHEREAS, College policy provides for the awarding of a Bronze Medallion to recognize Professor Parvine Windom’s distinguished service as enumerated above to the College, and as an expression of gratitude of the College for her exceptional dedication and professional commitment to further the goals of the College; and

WHEREAS, the Board of Trustees’ policy provides that “All faculty members and administrators holding faculty rank who retire with a minimum of ten years’ service with Montgomery College shall be designated faculty emeritus(a) with appropriate rank or title, subject to approval of the Board of Trustees”; and

WHEREAS, the Instructional Dean, the Rockville Campus Vice President and Provost, the Interim Senior Vice President for Academic and Student Services, and the President of the College recommend this public recognition of Professor Windom on the occasion of her retirement; now therefore be it

Resolved, That the members of the Board of Trustees express their sincere appreciation to Professor Parvine Windom for her many contributions to the College, and extend to her their best wishes that her retirement years be fulfilling and productive; and be it further

Resolved, That Professor Parvine Windom be awarded the Bronze Medallion in recognition of her service to the College and community, and as an expression of gratitude of the College for her dedication and professional commitment to the College; and be it further

Resolved, That Professor Parvine Windom is granted the status of Professor Emerita, and that she be accorded such recognition and honors as may be appropriate to persons holding this rank; and be it further

Resolved, That this resolution become a part of the minutes of this Board of Trustees meeting, and a copy of this resolution and the Bronze Medallion be presented to Professor Parvine Windom.
WHEREAS, Mr. Sherman Helberg originally was hired at the College as a community services coordinator and played a key role in the extension of the off-campus credit program in 1978, serving particularly as the College’s coordinator of off-campus credit programs; and

WHEREAS, in 1984, Mr. Helberg became an admissions and records supervisor based at the Rockville campus, thereby assuming responsibility for the day-to-day operations of the largest student records area within the College; and

WHEREAS, he subsequently became collegewide Director of Admissions, Records and Registration in 1990, with his title expanded in 2004 to include the significant responsibility for the College’s enrollment management strategy; and

WHEREAS, in the latter role, he wrote the College’s first enrollment management plan and the first student recruitment plan, thereby outlining the responsibility of all units in terms of recruiting and retaining students and also implemented the Noel-Levitz Student Satisfaction Survey as part of this enrollment management strategy; and

WHEREAS, he also led work on the creation of the first Montgomery College Student Services Strategic Director Statement; and

WHEREAS, realizing the importance of a user-friendly and coordinated response approach to student and community inquiries, created the first College Response Center at Montgomery College, thereby assuring that telephone inquiries are handled promptly and accurately by a centralized response team; and

WHEREAS, Mr. Helberg fully directed the implementation of web-based registration and fully engineered the transition from all face-to-face transactions for students whereby they were expected to appear in person to conduct business to a more customer-friendly means of remote access; and

WHEREAS, he also oversaw the transition to on-line grade posting by faculty, thereby also providing for remote access; and

WHEREAS, Mr. Helberg was instrumental in the College’s return to having one collegewide commencement a year, instead of the campus-based commencements of the past; and

WHEREAS, in his numerous positions at the College he was also involved in collegewide initiatives including the Council for the 21st Century, the University of Maryland Shady Grove project team that helped craft the initial stages of that center’s offerings, and also, participated on the Maryland Higher Education Commission performance accountability taskforce; and
WHEREAS, Mr. Helberg represented the College actively in the Rockville Kiwanis Club and in other local groups; and

WHEREAS, he was the driving force behind the College’s creating alternative class scheduling to meet adult student needs, including compressed scheduling and hybrid schedules, not to mention the creation of mini-sessions and later, the winter intersession which now regularly enrolls more than 1500 students each January; and

WHEREAS, he assumed major responsibility for the implementation of the Banner student information system; and

WHEREAS, Mr. Helberg played an essential role in the launching of the College’s highly acclaimed Montgomery Scholars program, a program that attracts high achieving students to Montgomery College; and

WHEREAS, Mr. Helberg also during his time at the College taught part-time in the Computer Concepts and Computer Applications area; and

WHEREAS, as a supervisor, he regularly supported his employees in their own professional development, encouraging their participation in conferences and other activities that would enhance not only their roles at the College but their professional lives overall; and

WHERE, largely because of his work with immigrant students from Montgomery County Public Schools (MCPS), he and his unit were awarded the Third Annual MCPS Back To School Fair, Corporate Sponsor Platinum Level by MCPS on August 28, 2010; and

WHEREAS, Mr. Helberg retired from Montgomery College in July 2010, after many years of exemplary, dedicated service; and

WHEREAS, the Board of Trustees’ policy provides that "All faculty members and administrators holding faculty rank who retire with a minimum of ten years’ service with Montgomery College shall be designated faculty emeritus/a with appropriate rank or title, subject to approval of the Board of Trustees;" and

WHEREAS, College policy provides for the awarding of a Silver Medallion to recognize distinguished service to the College; and

WHEREAS, the Interim Senior Vice President for Academic & Student Services Services and the President of the College recommend this public recognition of Mr. Helberg on the occasion of his retirement; now therefore be it

Resolved, That the members of the Board of Trustees express their sincere appreciation to Mr. Sherman Helberg for his valuable service to the College and extend to him best wishes for happy and productive retirement years; and be it further

Resolved, That Mr. Sherman Helberg is awarded the Silver Medallion in recognition of his outstanding service to the College, and as an expression of gratitude of the College for his dedication and professional commitment to further the goals of the College; and be it further

Resolved, That Mr. Sherman Helberg is granted the status of Director of Admissions & Enrollment Management Emeritus, and that he be accorded such recognition and honors as may be appropriate to persons holding this rank; and be it further
Resolved, That this resolution become a part of the minutes of this Board of Trustees meeting and a copy and the Silver Medallion be presented to Mr. Sherman Helberg.
WHEREAS, the death on July 26, 2010, of Professor Jill Irey, a full-time faculty member in the
Applied Technologies Department at the Rockville Campus, has left a void and deeply
saddened her colleagues and friends at Montgomery College and in the community; and

WHEREAS, during her 22 years of distinguished service to the College, Professor Irey was
highly regarded as a superior and devoted educator; and

WHEREAS, she performed her duties in the Applied Technologies Department with diligence
and passion, teaching and advising a wide diversity of Interior Design students; and

WHEREAS, during her tenure at the College, Professor Irey was a highly successful teacher
who inspired and motivated students to reach their fullest potential; and

WHEREAS, she was one of the first ten recipients of the Montgomery College Outstanding
Faculty Award; and

WHEREAS, she served for a number of years as Coordinator and Advisor to the Interior
Design program and as a faculty advisor to the Interior Design Club; and

WHEREAS, she also served as an advisor to the Montgomery College student design team
for the National Symphony Orchestra Show House; and

WHEREAS, Professor Irey served as Department Chair for six years, leading the Applied
Technologies Department with distinction; and

WHEREAS, her commitment to governance in higher education was demonstrated by her
leadership roles as Rockville Faculty Council Chair for two terms, as Collegewide Academic
Assembly Chair for two terms, and as a member of the President’s Cabinet for three years; and

WHEREAS, Professor Irey’s professional associations included serving two three-year terms on
the Maryland Higher Education Commission’s Faculty Advisory Council as a representative of
Montgomery College; and

WHEREAS, her untimely death represents a profound loss for students, faculty, staff, and
friends at Montgomery College; and

WHEREAS, College policy provides for the awarding of a Silver Medallion to recognize
distinguished service to the College; and

AWARD OF CONTRACT, PURCHASE OF HOSTED, INTEGRATED INFORMATION TECHNOLOGY HELP DESK AND ASSET MANAGEMENT TRACKING SYSTEM, BID NO. 511-013

BACKGROUND

Consistent with the Collegewide budget reduction measures and recommendations of the Budget Review Advisory Committee, Contracted Services Taskforce, the Office of Information Technology is reviewing all current information technology contracts to determine where efficiencies and cost savings can be achieved. Several information technology contracts are being recommended for non-renewal, re-bidding, or are being re-negotiated in order to achieve greater cost savings for the College.

The Vice President for Instructional and Information Technology/Chief Information Officer has requested a contract for the replacement of the hosted, integrated help desk and asset management tracking system and services. In 2007, the Board of Trustees approved an award of contract to Tech Team Government Solutions, Chantilly, Virginia, for the purchase of a hosted integrated help desk support and asset management tracking system for an annual not-to-exceed amount of $1,400,000, for a three-year term with the option to renew the contract for two additional one-year periods. Current market research suggests that significant savings can be achieved by re-bidding these services. Therefore, the Chief Information Officer recommended that the current contract be re-bid. The current contract will now expire on June 30, 2011.

On an annual basis, the information technology help desk responds to approximately 54,000 calls from the College community. The current asset inventory is comprised of over 25,000 information technology equipment items such as desktop and notebook computers, printers, servers, network infrastructure equipment, and audio/visual equipment. In addition, the College holds approximately 500 software titles, including the Microsoft suite application, and is used in granting shares of service desk to other organizations within the College, such as Auxiliary Services for assets and ticketing purposes. Help desk services and asset management tracking are critical to supporting the faculty instructional needs as well as the staff’s administrative requirements.

On November 17, 2010, a solicitation was issued for the purchase of a hosted integrated information technology help desk and asset management tracking system. Seven (7) responses, including two (2) no bids, and two (2) bids deemed non-responsive, were received on December 14, 2010. Bidders deemed non-responsive failed to meet the set requirements of the bid and were not considered further. A committee consisting of Information Technology staff reviewed and evaluated the proposals based on established criteria. Oaktree Solutions, Reston, Virginia, was the highest ranked responsible vendor meeting College requirements and their references were satisfactory. Compared to the previous contract, the estimated savings total $1.7 million over 5 years. Funding for this project is available in the FY2011 Operating Budget.
Board of Trustees approval is required for contract awards resulting from competitive sealed proposals valued above $25,000.

RECOMMENDATION

It is recommended that the Board of Trustees approve an award of contract for the purchase of a hosted integrated help desk and asset management system to Oaktree Solutions, Reston, Virginia, for a three-year term, beginning April 1, 2011, for a not-to-exceed amount of $650,000 for the first year, of which $639,915 will be expended in FY2011 for the base hosting and licensing, first year implementation, customization fees and, training. The contract may be renewed for one two-year periods, provided that service is satisfactory, funds are available, and is in the best interest of the College. The total five-year contract costs may not exceed $2,500,000.

Resolved, That the total five-year contract cost may not exceed $2,500,000.
BACKGROUND

This award is for the removal of the existing tennis courts on the Rockville Campus and the construction of a new 176-space surface parking lot in their place. Two PTOA (Procurement through Other Agency) contract awards have already been made for work related to the installation of the new courts. Additional parking spaces are needed on the Rockville Campus to replace those taken by the construction of the new Science Center. Additional spaces will also be taken out of service during the Science East renovation for construction site access. The new parking lot is scheduled to open for the start of fall semester classes.

Project contract documents, including drawings and specifications, were prepared by architecture and engineering consultants and Facilities staff. On January 31, 2011, a solicitation was issued for the removal of the existing tennis courts and construction of a parking lot on the Rockville Campus. Five (5) responses, including one (1) no bid, were received on February 18, 2011. The bids ranged from $790,000 to $909,000. HMF Paving Contractors, Inc., Frederick, Maryland, was the lowest responsible bidder.

Contractor references have been checked and are satisfactory. The College’s estimated construction cost for this project was $875,000. Sufficient funds are available for this work in the FY2011 Capital Budget Rockville Parking Lot and Tennis Court Relocation project. Board approval is required for competitive sealed bids valued above $100,000.

RECOMMENDATION

It is recommended that an award of contract for $790,000 be made to HMF Paving Contractors, Inc., Frederick, Maryland, as the recommended low bidder for the construction of a new surface parking lot on the Rockville Campus.

BOARD OF TRUSTEES

March 28, 2011  

RELEASE OF REMAINING PROJECT CONTINGENCY  
ROCKVILLE CAMPUS SCIENCE CENTER  

BACKGROUND  

The Board of Trustees approved a budget of $74,290,000 for the Rockville Campus Science Center project and, on November 19, 2008, awarded a construction contract for $51,809,000 to Clark Construction, LLC. In January 2009, the Board approved a delegation of authority to the President or designee for the approval of construction contingency expenses (change orders) based on an estimate of 5% of the total construction contract. The Board’s authorization in January 2009, which provided for a more streamlined approval process for change orders, included a provision for returning to the Board if additional contingency authorization was required and to brief the Board on how the new change order approval delegation process was working for this project.

Additional construction contingency authorization is needed at this time for construction change orders. It is estimated that overall, at the end of the project, construction change orders will be slightly under 7% of the construction contract instead of the projected 5%. This translates to about $1,020,000 over the Board’s initial construction contingency authorization. The increase is primarily due to the cost of the storm water pond and pond dam retrofit which had to be built to a higher state/local hazard classification due to new regulations. This change required both additional design and project management services as well as significant additional site work.

Sufficient funds are available in the total project budget of $74,290,000 for all for all project costs. In fact, upon project completion, an overall balance of about $3,000,000 is expected to remain in the Science Center budget. This is due to the lower than expected construction bid, strong management and control during the actual construction process, and competitive pricing on furniture and equipment. The Board of Trustees has the authority to move unused Capital project funds (up to 10% of the total appropriation) to other projects within the College’s Capital Budget as needed. At a future point, we will come back to the President to request that the Board do this.

As far as the new change order procedures for this project, the delegation of authority to the President and designees to approve change orders over $25,000 has worked very well and there have been no concerns. The intention is to bring a recommendation to revise College Policies and Procedures on the Capital Budget (P&P 61001 IV. C.) to the Board at a future meeting for review and consideration to formalize the new process so that it can be used for other Capital projects.

RECOMMENDATION  

It is recommended that, pursuant to the requirements in Board Resolution #09-01-007, approved on January 22, 2009, the Board authorize the release of the remaining project contingency funds in the Rockville Science Center budget to meet project needs for the building and the project site which includes the adjacent storm water pond and pond dam.

Mr. Sheeran
Mr. Sorrell
WHEREAS, on January 22, 2009, by Resolution #09-01-007, the Board of Trustees approved a modification to the existing Capital Budget construction change order approval process for the Rockville Campus Science Center project in order to improve administrative and project efficiencies without loss of oversight and fiscal control in the approval and authorization process; and

WHEREAS, the Board authorized a project contingency of $3,730,248 with the understanding that additional Board approval will be required if it appears that items will exceed the authorized contingency or if there is a change in project scope; and

WHEREAS, additional contingency authorization is needed due to significant State and local regulatory mandates for reconstruction of the project’s storm water management pond to meet upgraded code requirements which were not known at the time of the project design; and

WHEREAS, all project costs are now known or estimated, including those for furniture and equipment, and sufficient funds are available within the authorized project budget of $74,290,000 for the Rockville Campus Science Center and a surplus is anticipated at the end of the project after all expenses are paid; and

WHEREAS, substantial completion of construction, except for the pond, was declared effective February 11, 2011, and the furnishing and equipping of the building is in progress; and

WHEREAS, the President of the College recommends the following action; now therefore be it

Resolved, that the Board of Trustees authorizes the release of the remaining contingency funds for the Rockville Campus Science Center project in the FY2011 Capital Budget.
