AUTHORIZATION TO EXECUTE AND RECORD FIRST AMENDMENT TO DECLARATION FOR THE GERMANTOWN CAMPUS CONDOMINIUM TO ADJUST LOWER AND UPPER ELEVATIONS OF UNITS 4A AND 4B AS AGREED WITH HOLY CROSS HOSPITAL

BACKGROUND

By resolutions adopted on December 15, 2008, and September 22, 2009, the Board of Trustees authorized the execution of a ground lease with Holy Cross Hospital (the “Hospital”) through Foulger-Pratt Companies. These resolutions authorized the creation of a Germantown Condominium that would include units that would be the subject of the ground lease with the Hospital. By documents recorded on October 16, 2009, Montgomery College (“the “College”) created the Montgomery College Germantown Campus Condominium that included Units 4A and 4B. Thereafter, the College executed the ground lease with the Hospital, dated October 27, 2009, which provided for several conditions before settlement and the first payment on the ground lease would occur.

At the end of 2011 and the beginning of 2012, the College and the Hospital negotiated the closing documents and agreements associated with the closing under the ground lease. One of the matters of concern to the Hospital was its perceived need to have specific and liberal upper and lower vertical boundaries along a horizontal plane associated with the definitions of their condominium units to avoid any conceivable issues that could arise during the long term of ground lease, either with title, construction or use rights. Although in concept the College negotiators did not have an issue with the Hospital’s proposal in this regard, they did not have the authority to agree to this amendment to the condominium without specific approval of the Board of Trustees. The Hospital did not want to hold up settlement on the ground lease for the due course approval of the Board of Trustees for this amendment. Accordingly, the parties agreed as part of the closing agreements, with the concurrence of the president of the College, that the president would present the requested amendment to the condominium for approval by the Board of Trustees in due course, with her recommendation for approval. The settlement with the Hospital on the ground lease occurred on February 8, 2012.

RECOMMENDATION

The president recommends that the Board authorize and approve the execution and filing of the proposed First Amendment to Declaration for the Montgomery College Germantown Condominium, in the form substantially equivalent to the form attached to the proposed resolution.

INCORPORATION RATE PER CREDIT HOUR FOR FY13

BACKGROUND

The Board of Trustees adopted the College’s FY13 operating budget at its meeting on January 30, 2012. After reviewing the College’s budget situation, past tuition and fee rate increases at Montgomery College, as well as the existing and planned tuition and fees at area colleges and universities, the College has concluded that an increase of $2/$4/$6 per credit hour for in-county, in-state, and out-of-state tuition rates, respectively, is necessary, effective with the fall 2012 semester. These changes will result in per credit hour tuition rates of $112 for in-county students, $229 for in-state students, and $314 for out-of-state students. These are increases of 1.8 percent for the in-county tuition rate, 1.8 percent for the in-state rate, and 1.9 percent for the out-of-state rate.

RECOMMENDATION

It is recommended that the Board of Trustees increase the cost of tuition per credit hour by $2/$4/$6 beginning with the fall 2012 semester for in-county, in-state, and out-of-state tuition rates, respectively.
