INCREASE IN TUITION RATE PER CREDIT HOUR FOR FY15

BACKGROUND

The Board of Trustees adopted the College’s FY15 operating budget at its meeting on December 16, 2013. After reviewing the College’s budget situation, past tuition and fee rate increases at Montgomery College, as well as the existing and planned tuition and fees at area colleges and universities, the College has concluded that an increase of $3, $6, and $9 per credit hour for in-county, in-state, and out-of-state tuition rates, respectively, is necessary, effective with the fall 2014 semester, to continue to support the College’s ongoing expansion of services toward ensuring student excellence, access and success. The proposed tuition increase is appropriate to demonstrate continuing and long term financial stability.

Recent survey results of the 16 Maryland community colleges indicate that only two colleges are committed to not raising tuition in FY15, Prince George’s Community College and Garrett College. Prince George’s Community College did increase its tuition in FY14, unlike Montgomery College. The expected increases in FY15 tuitions at Maryland community colleges range from 1.6 percent (Howard Community College) to 13 percent (Harford Community College).

Our changes will result in per credit hour tuition rates of $115 for in-county students, $235 for in-state students, and $323 for out-of-state students. These are increases of 2.7 percent for the in-county tuition rate, 2.6 percent for the in-state rate, and 2.9 percent for the out-of-state rate.

RECOMMENDATION

It is recommended that the Board of Trustees increase the cost of tuition per credit hour by $3, $6, and $9 beginning with the fall 2014 semester for in-county, in-state, and out-of-state tuition rates, respectively.

**Subject:** *Increase in Tuition Rate Per Credit Hour for FY15*

WHEREAS, The Board of Trustees adopted the FY15 operating budget at its meeting on December 16, 2013; and

WHEREAS, The FY15 budget contains initiatives that advance institutional and educational excellence and programs that ensure student access and completion; commits to community engagement and further sustains operations and growth in new areas such as operationalizing the new Bioscience Education Center Building; and

WHEREAS, As public dollars to the College trended downward as a result of the recession over the past several years, Montgomery County and the State budget situations continue to improve but cautiously; and

WHEREAS, The proposed tuition increase put forth by the Board of Trustees continues a deep commitment to keeping Montgomery College affordable while taking prudent steps toward sustaining operations for the success of our students; and

WHEREAS, The proposed tuition increase that has been developed by the Board of Trustees is consistent with what other higher education institutions in Maryland are planning to do; and

WHEREAS, The proposed tuition increase is appropriate to demonstrate continuing and long term financial stability and vitality of College operations necessary for third-party financing support and donor investments; and

WHEREAS, Even with this tuition increase there is still a gap between needs and available resources; and

Resolution
Policy 61008– Reporting Suspected Fiscal Irregularities or Fraud with Whistleblower Protections

RESPONSIBLE SENIOR ADMINISTRATOR

Dr. Janet Wormack

RESOURCE PERSON

Mr. Robert Preston
WHEREAS, The president has identified the need for a process for employees and members of the college community to report unethical and illegal business activities, including fiscal irregularities and fraud, to protect the integrity of the college; and

WHEREAS, The issues related to suspected fiscal irregularities or fraud and the protection of employees who disclose such misconduct have been researched under the direction of the president; and

WHEREAS, A draft policy statement was reviewed by the appropriate College community stakeholders for their feedback; and

WHEREAS, The president recommends that the Board adopt the policy; now therefore be it

Resolved, That Policy 61008–Reporting Suspected Fiscal Irregularities or Fraud with Whistleblower Protections be adopted as indicated in the attachment; and be it further

Resolved, That the president is authorized to implement this policy.
I. Montgomery College adheres to a high standard of ethical and legal business conduct. Therefore, it is the policy of the College to encourage and expect all College employees, students, volunteers, agents, contractors, and members of the community acting in good faith, to report suspected willful wrongful conduct involving fraud or other financial irregularities so that prompt corrective action can be taken by the College. This policy includes whistleblower protections consistent with best practices of similar organizations and the Sarbanes-Oxley Act and thereby encourages responsible reporting of such irregularities to enable timely action by the College.

II. The College is committed to protecting individuals from interference with making a protected disclosure and from retaliation for having made a protected disclosure or for having refused an illegal order as defined in this policy.

III. No individual who in good faith reports a violation or suspected violation shall thereby suffer harassment, retaliation or adverse employment and/or academic or educational consequence. An individual who retaliates against someone who has made a report in good faith under this policy is subject to disciplinary action in accordance with College policy and/or the student code of conduct, up to and including dismissal from the College.

IV. This policy does not protect an individual who files a report or provides information that he or she knows to be false or provides information with reckless disregard for its truth or falsity.

V. Just as the College will consider wrongful conduct as serious violations of law or College policy, the filing of false or malicious allegations of wrongdoing or knowingly providing false answers or information to an ongoing investigation of wrongdoing may subject individuals to disciplinary action up to and including discharge or expulsion from the College. The failure to substantiate a claim of wrongdoing does not automatically constitute malicious intent or a false claim.

VI. This policy does not protect individuals who self-report their own misconduct.

VII. This policy is not intended to replace existing reporting mechanisms for matters such as employment related complaints, health and safety matters, complaints involving discrimination or harassment, nor is it intended to supplant other channels of communication for reporting suspected fraud and financial wrongdoing.

VIII. The president is authorized to establish procedures necessary to implement this policy.

Subject: Policy Modification: 66001–Acceptable Use of Information Technology

WHEREAS, The Board of Trustees created 66001–Acceptable Use of Information Technology in 1997; and

WHEREAS, The policy has served an important purpose in guiding informational technology use that provides support of the instructional mission, communications, operational effectiveness, and governance at Montgomery College; and

WHEREAS, The policy has been reviewed and updated; and

WHEREAS, The president recommends that the Board adopt the modifications; now therefore be it

Resolved, That Policy 66001–Acceptable Use of Informational Technology be amended as indicated in the attached draft to update titles of responsible administrators and to include sections on grant funding; and be it further

Resolved, That the president is authorized to implement these changes.
I. To provide adequate and continuing support of the instructional mission of the College, it is the intent of the Board of Trustees to provide guidelines a policy for acceptable use of information technology resources made available by the Board to students, faculty and staff, and any non-College individuals and entities specifically authorized to use these resources. The same acceptable standards for all users with regard to the use of facilities, equipment and tools, as well as acceptable standards of behavior toward individuals while using these resources, apply to the use of information technology resources as well. The ability to use these resources is a privilege, not a right or guarantee, based on Board of Trustees’ priorities and available funding. No one can or should assume that because this policy is silent on a particular act or behavior, or that just because one is capable of doing something, that it is then acceptable, condoned, or legal.

II. The Board of Trustees College, through policies, guidelines procedures, and regulations has already established acceptable uses of College resources. The Board College has also defined and established processes available to all students, faculty and staff regarding such issues as harassment, standards of behavior, plagiarism, conflict of interest and unethical conduct, as evidenced in the Board of Trustees’ policies and the Montgomery College Student Handbook. There already exist federal, state, and local laws, rules and regulations regarding theft, copyright infringements and other unlawful acts. Those same disciplinary actions that apply to the misuse of other resources and behaviors may be applied to misuse of information technology resources. All users who request and/or are given access to College-owned and operated information technology resources agree to use those resources in a manner consistent with the mission of the College and in compliance with Board of Trustees’ policies, as well as all applicable laws, procedures, rules and regulations.

III. The President is authorized to establish procedures to implement this policy to develop appropriate use guidelines, which will be read and acknowledged by all users who are authorized access to College-owned information technology resources. The guidelines are to be reviewed periodically, as appropriate, for currency and accuracy, as determined by the President.
