April 13, 2026

Across Montgomery College, our community continues to bring learning, connection, and opportunity to life. Whether through shared experiences that deepen understanding, moments that celebrate achievement, or efforts that help students prepare for what is next, this collective work reflects the strength of our community and our commitment to supporting success for all.

MEET AND CONNECT WITH POTENTIAL EMPLOYERS

Student Employment Services (SES) has launched its [Spring Job Fairs](#), beginning last week at our Germantown Campus, where nearly 30 employers connected with more than 160 students and alumni. Upcoming fairs will take place on April 15 at our Rockville Campus and April 29 at our Takoma Park/Silver Spring Campus, each from 10 a.m. to 1 p.m. These events offer opportunities to connect with employers hiring for full-time and part-time roles, as well as internships, across a range of industries. A full list of participating employers is available on the [SES events page](#). Whether you're exploring career paths or searching for your next opportunity, our knowledgeable [SES team](#) will be on hand to help you navigate every step. Spread the word, [dress for success](#), and bring plenty of resumes.

MC STUDENT NAMED TO COCA-COLA ACADEMIC TEAM

Montgomery College student [Lirio Reyes Castro](#) has been named to the 2026 Coca-Cola Academic Team and will receive a \$1,300 scholarship. Sponsored by the Coca-Cola Scholars Foundation in partnership with Phi Theta Kappa, this recognition honors community college students for academic achievement, leadership, and service. Lirio has earned recognition at the local, state, and international levels, including at Phi Theta Kappa's annual convention, PTK Catalyst, held in Baltimore. This achievement reflects the talent, determination, and promise of

Montgomery College students and the excellent faculty and staff who help them thrive.

NEW, IMPROVED ONLINE EXPERIENCE FOR ALL

The Office of Information Technology has launched an upgrade to the Banner Student Information System, enhancing the experience for students, faculty, and staff. Faculty and staff will see more intuitive navigation, simplified course and roster pages, and a streamlined grade submission process. Students will benefit from an improved course registration experience, a simplified graduation application, and clearer navigation. Access remains the same through the MyMC portal. How-to guides and videos are available on the [Banner Student Information System website](#) to support a smooth transition.

With Raptor Regards,

Dr. Jermaine F. Williams

President
