

Tharma Philogene

ENGL 272

Takoma Park

Warning!!!

We voted for you

You betrayed us

You're a traitor!

We gave you the power

that we could have

kept for ourselves

You think that we're foolish

And imbeciles

You expect us

To stay quiet

You need to keep your word!

I will warn you

Caution! Back Off!

Otherwise, you

Will see my other face!
