Getting Down to Business

This orientation provides an overview of the following topics for business students at Montgomery College:

- Why study business?
- Business Program foundations
- Academic Advising
- Transfer Planning and Scholarships
- Business Learning Resources
- Career Resources
- Get involved! Extracurricular Opportunities
- Honors Programs
- Networking - Join the Business Buddy Program!

Why Study Business?

- Develop specialized skills and improve your capacity to analyze information, communicate effectively, think critically, and thrive in work situations
- A wide variety of career choices - A business degree allows for professional versatility as 85% of jobs are in **BUSINESS**
- With a wide range of career skills, 75% of companies are looking to hire business majors creating **lots of career possibilities**
- \$53,901 is the average starting salary for Business Majors
- \$3.79 Million is the average career earnings for Business Majors

Data is from (1) National Association of Colleges & Employers, (2) U.S. Bureau of Labor Statistics and (3) The Hamilton Project

Student Testimonial

"Business intrigues me because learning about it makes me feel as if I have an aerial view of our society and its habits. Most people looking to succeed have similar ambitions, but being equipped to appropriately analyze the happenings around us gives business students the knowledge necessary for our ambition to transform into success."

- Steven Francis, Business A.A. 2015 Graduate

Student Testimonial

"I chose a business major due to the immense applicability of the related material in everyday life. I wasn't exactly sure what I wanted to pursue as a career; however, I knew that a business major would provide me with endless opportunities upon graduation. Moreover, the Business Department at Montgomery College is phenomenal, allowing students to transfer to top tier business schools. "

- Pavanjot Singh Guraya, Business A.A. 2015 Graduate

Student Testimonial

"When I found business as my career to pursue, I gained clarity as to how I would fulfill my passion of helping others. Business is extremely diverse through its potential power to solve global issues such as poverty, and going into this field allows me to create meaningful change."

- Menaza Fernando, Business A.A. 2015 Graduate

Student Testimonial

"I chose to study business because I wanted a career in which I am challenged on a daily basis. If you choose to study business, you will find that it is much more than numbers- it'll help you grow as a person. "

- *Kenneth Valle, Business A.A. 2015 Graduate*

Business Program Foundations

We also now offer fully online degrees in both business and in information systems!

The Business Program is a part of the Business, Economics, Accounting, Computer Applications, Hospitality Management, and Paralegal Studies (BEACAHMPS) Area. We offer programs of study leading to degrees that transfer to four-year schools and to degrees and certificates that will prepare students for an exciting career.

On the Rockville campus, we are known as the Business, Economics, Computer Applications, and Hospitality Management Department (BECAHM). We are located in the HU 261. For more information, visit: <http://cms.montgomerycollege.edu/becahm/>

The department of Business, Economics, Accounting, Management, Computer Applications and Paralegal Studies (BEACAPS) is located on both the Germantown (HT 341) and Takoma Park/Silver Spring (IS 205) campuses. For more information, visit: <http://cms.montgomerycollege.edu/beacaps/>

Through these departments, Montgomery College offers degree programs and certificates for students who plan to transfer to four-year programs or begin/change careers as noted under the "Academic Advising" section of this presentation.

Don't forget to access the Montgomery College New Student Orientation, available in an "In-Person" format and an interactive "Online" format. New Student Orientation (NSO) is mandatory for all new degree-seeking students. Students must complete NSO before you can register for classes. <http://cms.montgomerycollege.edu/EDU/Department.aspx?id=13559>

Access your MC EMail

Your Montgomery College email address is an important tool with many benefits. Important updates from your professors about your courses, and information regarding Business related jobs, extracurricular opportunities, upcoming events, and more will come to your MC Email address from "Business Studies" when you designate as a business major. Students can access email by logging into MyMC and clicking the email icon as pictured here.

Forward your MC Email!

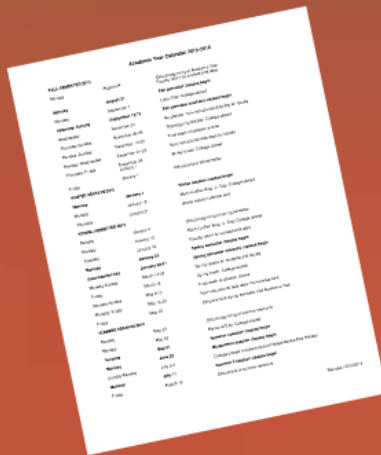

If you are interested in forwarding your MC email to a personal email account, this link will allow you to access and read your MC e-mails that are incoming (in real-time) from the MyMC portal in your desired personal e-mail account: http://montgomerycollege.edu/mymc/email_help/email_settings.html

Don't forget - your email address can also be used as a tool to get discounts and more from retail sites such as Amazon.com, Apple, and Microsoft. For instance, you can now get Microsoft Office 365 for free using your student email address! Please visit: <https://products.office.com/en-us/student>

Mark Your Calendars!

The Academic Calendars list key dates related to the progress of instruction - semester start and stop dates, holidays, exam periods, and more. Please visit: <http://cms.montgomerycollege.edu/edu/departments2.aspx?id=16456>

Montgomery College follows a final exam schedule during the fall and spring semesters. During the winter and summer sessions, final exams are given the last day of class. Please check the final exam schedule when enrolling for schedules to avoid time conflicts. Visit: <http://cms.montgomerycollege.edu/edu/departments2.aspx?id=15555>

GradGuru is a mobile platform application specifically designed for community college students. Accessible to both Apple and Android users, and free for students to download, GradGuru delivers college-specific deadlines, communicates college know-how information, and encourages students to engage in behaviors that support success and completion. Visit: <http://www.montgomerycollege.edu/gradguru> to learn more.

Academic Year Calendar 2015-2016

FALL SEMESTER 2015

Monday	August 24	Official beginning of Academic Year Faculty return for professional days
Monday	August 31	Fall semester classes begin
Monday	September 7	Labor Day; College closed
Saturday- Sunday	September 12-13	Fall semester weekend classes begin
Wednesday	November 25	No classes; non-instructional duty day for faculty
Thursday-Sunday	November 26-29	Thanksgiving Holiday; College closed
Monday -Sunday	December 14-20	Final week of classes; exams
Monday -Wednesday	December 21-23	Non-instructional duty days for faculty
Thursday- Friday	December 24- January 1	Winter break; College closed
Friday	January 1	Official end of fall semester

WINTER SESSION 2016

Monday	January 4	Winter session classes begin
Monday	January 18	Martin Luther King, Jr. Day; College closed
Thursday	January 21	Winter session classes end

SPRING SEMESTER 2016

Monday	January 4	Official beginning of spring semester
Monday	January 18	Martin Luther King, Jr. Day; College closed
Tuesday	January 19	Faculty return for professional days
Monday	January 25	Spring semester classes begin
Saturday-Sunday	January 30-31	Spring semester weekend classes begin
Monday-Sunday	March 14-20	Spring recess for students and faculty
Friday	March 18	Spring break; College closed
Monday-Sunday	May 9-15	Final week of classes; exams
Monday- Friday	May 16-20	Non-instructional duty days; Commencement
Friday	May 20	Official end of spring semester and Academic Year

SUMMER SESSION 2016

Monday	May 23	Official beginning of summer sessions
Monday	May 30	Memorial Day; College closed
Tuesday	May 31	Summer I session classes begin
Monday	June 20	Midsummer session classes begin
Sunday-Monday	July 3-4	College closed in observance of Independence Day Holiday
Monday	July 11	Summer II session classes begin
Friday	August 19	Official end of summer sessions

Frequently Asked Questions about the Business Program

I am very busy outside of school. How much time will each class take?

While class times will vary by day, a good rule of thumb is to plan for about 2 hours of work outside of class for every one hour in class. This means that for a 3 credit course (as many are) you should plan on about 9 hours of work each week for the class. This applies to hybrid and online classes as well! Some classes, like Accounting (a four credit course), will require more time. Talk with your professor to make sure you understand his/her expectations.

How long should it take to complete the Business Degree Program?

The time it takes to complete a degree varies based on the student and how many courses can be taken each semester. Some students complete in two years, others in five - work with an advisor to determine a schedule that works for you.

What are the students in the Business Program like?

As the second largest program of study at Montgomery College, the Business program students generally reflect Montgomery College's diverse student body. For more information, visit: <http://cms.montgomerycollege.edu/EDU/Department4.aspx?id=54314>

Academic Advising

Our A.A. degree in Business is designed for students transferring to a four-year program and is available either in person or completely online. Certificates and Letters of Recognition are shorter programs to help students gain entrance or advance in a chosen field. We offer certificate programs in both Accounting and Management, and a Supervisory Letter of Recognition.

Business Faculty are available for advising appointments throughout the year. A current schedule of availability may be accessed at: <http://cms.montgomerycollege.edu/schedules/> or contact a business office to schedule an appointment now:
Rockville: (240) 567-5137, Germantown: (240) 567-7722, Takoma Park/Silver Spring: (240) 567-1613

We now offer online advising! You may send a question to an advisor electronically at:
<https://www.emailmeform.com/builder/form/9MngZW01a6cY7CF15te9N>

Business A.A. Degree

For the Business A.A. Degree requirements and course offerings, visit:
http://catalog.montgomerycollege.edu/preview_program.php?catoid=2&poed=250&returnto=12

General Education Foundation and Distribution Courses may be accessed at:
<http://cms.montgomerycollege.edu/EDU/Department.aspx?id=11681>

General Education courses are required for all degree programs. Please see the following slide for course choices.

These program requirements are unique to the Business curriculum.

Students may take any elective to meet this requirement. While MGMT 201 is encouraged, please check transfer potential. This class may transfer as a business elective (e.g., the Smith School at UMD) rather than Business Law, meaning you may have to retake the course after transfer.

Make sure one of your general education courses has an * designation next to it!

This worksheet may be accessed at: <http://cms.montgomerycollege.edu/EDU/plain.aspx?id=6000>

MONTGOMERY COLLEGE – GENERAL EDUCATION PROGRAM REQUIREMENTS 2015-16 Updated 4/8/15

[PLEASE NOTE: There are no changes from the 2013/14 or 2014/15 MC General Education List]

Montgomery College's General Education Program meets Maryland State (MHEC) guidelines. The MHEC transfer policy assures that general education courses taken at any MD State institution will transfer to another MD State institution without the need for a course-by-course match.

For MD public schools, you do not have to fulfill General Education AREA lines on ARTSYS Recommended Transfer Program (RTP) pages. For example, students who finish MC's General Education Requirements below for an AA degree (34 credits with a3-credit HLTH) will have met 34 credits of UMCP (College Park)'s General Education Requirements without a course-by-course match and will need to take only 6 more credits - two courses - of General Education after transfer.

Students transferring to private or out-of-state schools should select General Education courses carefully. Courses in **bold/italics** are recommended for anyone undecided about a transfer destination (in- or out-of-state, public or private).

See the MC Transfer Page www.montgomerycollege.edu/transfer & see an MC counselor or adviser.

Completing an Associate's degree (AA, AS, or AAT) assures that you have fulfilled MD General Education Program requirements.

Associate of Applied Science (AAS) - 20 credits of General Education courses required Programs of study for an A.A.S. degree are designed for employment and career advancement within a particular area of study. AAS programs are not designed to transfer; however, a few schools may accept AAS degrees – see an adviser. In addition to the courses in their major area of study, students need to take a minimum of 20 credit hours of general education courses which include:

English Foundation.3 credits	Arts or Humanities Distribution 3 credits
Mathematics Foundation 3 credits	Behavioral and Social Sciences Distribution. 3 credits
Speech Foundation 3 credits	Natural Science with Laboratory. 4 credits
Health Foundation. 1-3 credits	

Associate of Arts (AA), Associate of Science (AS), & Associate of Arts in Teaching (AAT) - 30 / 34 credits General Education required AA, AS and AAT degrees parallel the first two years of bachelor's degree study and transfer to four-year colleges and universities. Students who plan to transfer should meet with an advisor as early as possible to ensure that all or most of their course credits will transfer to the four-year institution of their choice. In addition to the courses in their major area of study, students need to take a minimum of 30 (AS) or 34 - 31 (AA, AAT) credit hours of general education courses which include:

English Foundation. 3 credits	Arts Distribution. 3 credits
Mathematics Foundation 3 credits	Humanities Distribution. 3 credits
Speech Foundation. 3 credits	Arts or Humanities Distribution (AA and AAT) 3 credits
Health Foundation. (a 3 cr. HE is recommended)3 – 1 cr.	Behavioral and Social Sciences Distribution (<i>must be from two different disciplines.</i>) 6 credits
* A.A. & A.S. degrees must include one course marked with an asterisk* to fulfill the General Education Global & Cultural Perspectives requirement, marked "M" in course descriptions.	Natural Science with laboratory 4 credits
	Natural Science, non-lab or laboratory 3-4 credits

General Education FOUNDATION COURSES – required for All Associate's Degrees:

☐ **English Foundation 3 credits**
One from: **ENGL 102 Critical Reading, Writing, Research** or ENGL 103 Crit. Reading/Writing/Research Workplace
All students must complete ENGL101/101A as a College prerequisite for ENGL102 or 103 unless eligible for placement into ENGL 102 or 103 through transfer credit, AP scores, or SAT/ Accuplacer scores and College English department permission. [Formerly EN102 or 109]

☐ **Mathematics Foundation 3-4 credits**
Choose one according to major(s) desired:
MATH110 Survey of College Mathematics, MATH113 Intro/Probability, #MATH115/115A Mathematical Ideas, **MA117/117A Elements of Statistics [MA116/116A]**, MA130,131,132 Elements of Mathematics†, **MATH150 Elementary Applied Calculus [MA160]**, **MATH165 Precalculus [MA180]**, **MATH181 Calculus I**, **MATH182 Calculus II**

MATH115/115A has limited transferability, check with an adviser.
† MATH 130-131-132 are required for the Associate of Arts in Teaching. Many transfer institutions will not accept MA 130, 131, or 132 as a general education math course if an A.A.T. is not completed.

>>MATH 117/117A, 150, 165 & 181 all fulfill both Fundamental Math and Analytic Reasoning Gen Ed requirements for UMCP.<<

☐ **Speech Foundation. 3 credits**
Choose one from:

- **COMM108 Intro. to Human Communication [SP108]** or
- COMM112 Business and Professional Communication [SP 112]

☐ **Health Foundation 1-3 credits**
- HLTH 100 Prin. of Healthier Living (1 cr.) [HE100],
HLTH 113 First Aid and CPR (2 credits) [HE107]

>> **Undecided? Or planning to transfer to UMCP or Towson?**
Choose a 3-credit HLTH below for greater transferability:

Three (3) Credit Health Courses: **HLTH 105 Personal/Community Health [HE101]**, HLTH 121 Nutrition Fitness/Wellness [HE108], **HLTH125 Personalized Health Fitness [HE109]**, HLTH 131 Drugs/Lifestyle Wellness [HE111], HLTH 150 Fitness/Nutrition Weight Mgmt [HE150], HLTH 160 Sci./Theory of Health [HE120], HLTH 170 Intro to Aging [HE130], HLTH 200 Health Iss./Human Sexuality [HE112], HLTH 205 Health/Fitness for Teachers [HE201], HLTH 212 Controlling Stress/Tension [HE202], * HLTH 215 Women's Health [HE204], HLTH 220 Emerg. Medical Responders [HE205], HLTH 225 Intro/Health Behaviors [HE200], HLTH 230 Health/Later Yrs[HE230]

Physics III: Waves [PH263] PSCI 101, 102 Physical Science I, II [PC101/102]</p>
---	---	--

Natural Sciences Distribution without Lab (NSND): 2ND course may be a Non-Lab from below, or choose two Lab's above

<p>* ANTH215 HumanEvolution&Archaeol [AN105] {ANTH 215 does not transfer to UMBC as a Science} AOSC 100 Weather & Climate [ME100] BIOL 114 Understanding Viruses [BI104] BIOL 105 Environmental Biology [BI105A]</p>	<p>BIOL 108 Marine Environmental Sci.[BI106] BIOL 111 Nat.Sci/Chesapeake Bay [BI109] BIOL 130 The Human Body [BI130A] CHEM 109 Chemistry & Society [CH109A]</p>	<p>ENES 100 Intro/Engineering Design[ES100] NUTR 101 Intro to Nutrition [NF103] PHYS 105 Conceptual Physics [PH105] PHYS 161 Gen. Physics I: Mechanics [PH161]</p>
---	---	--

* AA and AS Degrees: You must pick one course with an Asterisk to fulfill the Global/Cultural Perspectives Requirement (Multicultural).

3 credits
communication [SP 112]
1-3 credits
Living (1 cr.) [HE100],
[HE107]
to UMCP or Towson?
greater transferability:
105 Personal/Community
tness/Wellness [HE108],
[HE109], HLTH 131 Drugs/
Fitness/Nutrition Weight
y of Health [HE120], HLTH 170
Health Iss./Human Sexuality
or Teachers [HE201], HLTH 212
*, HLTH 215 Women's Health
al Responders [HE205], HLTH 225
HLTH 230 Health/Later Yrs[HE230]

UTION COURSE CHOICES

Note classes in bold are more likely to transfer!

Make sure to choose a class with a * next to it to meet the global/cultural perspectives requirement!

[PLEASE NOTE: There are no changes from the 2013/14 or 2014/15 MC General Education List]

Montgomery College's General Education Program meets Maryland State (MHEC) guidelines. The MHEC transfer policy assures that general education courses taken at any MD State institution will transfer to another MD State institution without the need for a course-by-course match.

For MD public schools, you do not have to fulfill General Education AREA lines on ARTSYS Recommended Transfer Program (RTP) pages. For example, students who finish MC's General Education Requirements below for an AA degree (34 credits with a 3-credit HLTH) will have met 34 credits of UMCP (College Park)'s General Education Requirements without a course-by-course match and will need to take only 6 more credits - two courses - of General Education after transfer.

Students transferring to private or out-of-state schools should select General Education courses carefully.

Courses in ***bold/italics*** are recommended for anyone undecided about a transfer destination (in- or out-of-state, public or private).

See the MC Transfer Page www.montgomerycollege.edu/transfer & see an MC counselor or adviser.

Completing an Associate's degree (AA, AS, or AAT) assures that you have fulfilled MD General Education Program requirements.

Associate of Applied Science (AAS) - 20 credits of General Education courses required Programs of study for an A.A.S. degree are designed for employment and career advancement within a particular area of study. AAS programs are not designed to transfer; however, a few schools may accept AAS degrees – see an adviser. In addition to the courses in their major area of study, students need to take a minimum of 20 credit hours of general education courses which include:

English Foundation 3 credits	Arts or Humanities Distribution 3 credits
Mathematics Foundation 3 credits	Behavioral and Social Sciences Distribution 3 credits
Speech Foundation 3 credits	Natural Science with Laboratory 4 credits
Health Foundation 1-3 credits	

Associate of Arts (AA), Associate of Science (AS), & Associate of Arts in Teaching (AAT) - 30 / 34 credits General Education required

AA, AS and AAT degrees parallel the first two years of bachelor's degree study and transfer to four-year colleges and universities. Students who plan to transfer should meet with an advisor as early as possible to ensure that all or most of their course credits will transfer to the four-year institution of their choice. In addition to the courses in their major area of study, students need to take a minimum of 30 (AS) or 34 - 31 (AA, AAT) credit hours of general education courses which include:

English Foundation 3 credits	Arts Distribution 3 credits
Mathematics Foundation 3 credits	Humanities Distribution 3 credits
Speech Foundation 3 credits	Arts or Humanities Distribution (AA and AAT) 3 credits
Health Foundation. (a 3 cr. HE is recommended) 3 – 1 cr.	Behavioral and Social Sciences Distribution (<i>must be from two different disciplines</i>) 6 credits
* A.A. & A.S. degrees must include one course marked with an asterisk* to fulfill the General Education Global & Cultural Perspectives requirement, marked "M" in course descriptions.	Natural Science with laboratory 4 credits
	Natural Science, non-lab or laboratory 3-4 credits

General Education **FOUNDATION COURSES** – required for All Associate's Degrees:

<div>English Foundation 3 credits</div> <div>One from: ENGL 102 Critical Reading, Writing, Research or ENGL 103 Crit. Reading/Writing/Research Workplace</div> <div><i>All students must complete ENGL101/101A as a College prerequisite for ENGL102 or 103 unless eligible for placement into ENGL 102 or 103 through transfer credit, AP scores, or SAT/ Accuplacer scores and College English department permission. [Formerly EN102 or 109]</i></div>	<div>Speech Foundation 3 credits</div> <div>Choose one from:</div> <div>- COMM108 Intro. to Human Communication [SP108] or</div> <div>- COMM112 Business and Professional Communication [SP 112]</div>

CURRICULUM REQUIREMENTS			
	COURSE	HRS	GRADE
	MG 101	3	
	MG 102	3	
	MG 201 or MG 207	3	
Note: A grade of 2.0 or better is required in each course			
Total Credits:			

This sequence of courses is designed for those students who wish to develop skills for employment as a first-line supervisor. Students will gain an understanding of core skills and theory needed for supervisors and managers. In addition, students will gain an understanding of foundations in business law with an emphasis on employment laws including Title VII of the Civil Rights Act of 1964. A grade of C or better is required for each course.

This unofficial document is for planning purposes ONLY and completion does not guarantee graduation. See an advisor to submit an Application for Graduation the semester BEFORE you intend to graduate.

Accounting

Students interested in accounting can pursue an AA degree in Business or an Accounting certificate. However, the certificate is intended for students seeking to either upgrade their professional competence, or for students who have a Bachelor's degree in an area other than accounting who wish to sit for the CPA exam in Maryland.

To access the Accounting Certificate requirements, visit:

http://catalog.montgomerycollege.edu/preview_program.php?catoid=2&poid=208&returnto=112

ACCOUNTING CERTIFICATE (G, R): 167 Print Form

Total Credits: 24-28
Catalog Editions: 06-09 through 15-16

Name: Date: ID #:

CERTIFICATE REQUIREMENTS	Course	Hours	Grade
	AC 201/ACCT 221	4	
	AC 202/ACCT 222	4	
	AC 207/ACCT 231	4	
Select four courses from Accounting (AC/ACCT)		3 or 4	
courses numbered AC 208/ACCT 225 or higher		3 or 4	
or MG 201/MGMT 201		3 or 4	
		3 or 4	

Overall GPA of 2.0 is required to graduate

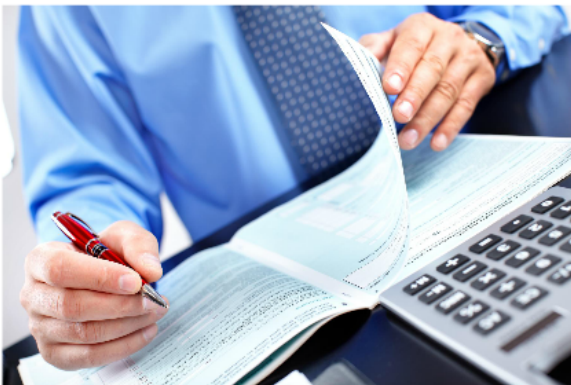

Total Credits:

The accounting certificate curriculum is designed to serve those students who desire to upgrade their professional competence but do not want to complete the A.A.S. For those who want to complete the U.S. Civil Service 24-hour accounting program, consult the Office of Personnel Management for a current listing of approved courses.

Transfer Planning and Scholarships

Business students planning to transfer to four-year institutions may access transfer information and scholarship information at the following site: <http://cms.montgomerycollege.edu/EDU/Plain.aspx?id=10187>

Not sure where to transfer? We can help!

The College Navigator site is a great free resource for guidance: <http://nces.ed.gov/collegenavigator/>
as well as Niche: College reviews by students for students: <https://colleges.niche.com>

Interested in the University of Maryland Robert H. Smith School of Business?

Many students from Montgomery College hope to transfer to the University of Maryland's Robert H. Smith School of Business, and many do. Please note that this program is available on both the College Park and Shady Grove campuses with some differences in the application process and program structure. UMD's Robert H. Smith School is considered a limited enrollment program and is highly competitive. The average GPA for admission is approximately a 3.4. We recommend that you contact these programs directly for more information.

College Park Campus

The College Park campus of the Robert H. Smith School of Business has a competitive application process. For more information, please review the attached pathway for transfer planning and we encourage you to contact the College Park campus: 301-405-2236 | undergradinfo@rhsmith.umd.edu

This resource is available at: http://cms.montgomerycollege.edu/uploads/Files/EDU/Counseling_and_Advising/Transfer/Transfer_Resources/SmithUMCP-Jun-2016.pdf

UNIVERSITY OF
MARYLAND

ROBERT H. SMITH
SCHOOL OF BUSINESS

Shady Grove Campus

The Shady Grove campus of the Robert H. Smith School of Business has a unique application process and program compared to the College Park campus. For more information, please review the attached pathway for transfer planning and we encourage you to contact the Shady Grove campus: 703 contact: Karina Kozlowski | kkozlowski@rhsmith.umd.edu phone: (301) 324-1400

Key distinctions Shady Grove:

- Automatic transfer admission program through the Terry Transfer Partnership (list below)
- Operates as more of a "cohort" program, making it difficult to work while attending this program due to schedule requirements
- Application requirements differ slightly (e.g., a total of 6 courses are considered gateway courses as compared to 3 at College Park)
- Class sizes are smaller to MC, 30-40 students per class
- Some great Robert H. Smith School degrees. However, there are less business major types available (e.g., Finance only available at CP)
- Only admits students in the Fall (College Park admits for Fall and Spring)
- The campus location is right near the Rockville MC campus

TIP: The Shady Grove campus offers a guaranteed admissions program if you apply and are accepted into the Terry Transfer Partnership before your last semester at MC and graduate with a Business B.A. Degree from MC with a 3.3 or higher GPA. For more information visit: <http://www.shadygrove.umd.edu/tip/>

Note that not all majors are offered at the Shady Grove Campus

Also see: www.smith.umd.edu Pre-Transfer Advising Sessions: www.transferadvising.umd.edu/ 1/15/19

This resource is available at: http://cms.montgomerycollege.edu/uploadedFiles/EDU/Counseling_and_Advising/Transfer/Transfer_Resources/SmithUMCP-Jan-2015.pdf

ADMISSIONS POLICY FOR THE SMITH SCHOOL OF BUSINESS: www.smith.umd.edu Transfer Admission Requirements: Admission

to the Smith School is highly competitive. Academic record, co-curricular involvement, leadership experience and honors and awards will be considered in the admission decision. Students are strongly encouraged to submit a resume and letter detailing their accomplishments and experience with their online Transfer Admissions Applications. Students are accepted on a space-available basis after completing the following gateway courses:

- Completion of ACCT 221/AC 201 and BSAD 210 or MATH 117 (formerly BA 210/MA 116) Statistics with a minimum grade of C-
- Completion of MATH 150220, 130 or 140 with a minimum grade of C- or above

Students may apply for admission in the semester in which they earn 45 credits. Applications are due by March 1st for the Fall semester, and November 1st for the Spring semester. If all requirements are completed at application time, the students will receive notification about admission to BMGT with transfer admission. If students are in the process of completing the requirements at application time, they will be notified of their admissions status once the semester is completed. A minimum grade point average of 3.0 in all college coursework is required for consideration for all internal and external transfer applicants.

GATEWAY COURSES = MC Equivalents are 1) ACCT 221 Principles of Accounting I; 2) MATH 150 Elem Applied Calc or MATH 181 Calculus; and 3) BSAD 210 Business Statistics or MATH 117/117A Elements of Statistics

Repeat Policy: Only one gateway course may be repeated to earn the required grade and that course may only be repeated once. When more than one course can satisfy a gateway requirement, taking a second course from the list will count as a repeat. **(Please note that a grade of "W" is considered an attempt and must be repeated).**

- Co-curricular involvement, leadership experience & honors & awards are also considered in the admission decision. Students are strongly encouraged to submit w/ applications a resume and letter detailing their accomplishments and experiences.

The Application Process: Apply for Admission to UM using the online Transfer Admission Application. Use the Essay to describe your interest in Business; add your resume w/ business/leadership/volunteer experiences into the Essay section of the online application.

Application Deadlines for Transfer Students: Completed applications, transcripts & all supporting documents must be received no later than: **Fall Semester:** March 1 (Priority deadline) and June 15 **Spring Semester:** August 1 (Priority) and November 1. **1/15/15**

MONTGOMERY COLLEGE / ROBERT H. SMITH SCHOOL FREQUENTLY ASKED TRANSFER QUESTIONS:

Will any course at MC transfer to UMCP as an elective? **NO** Choose electives with care. The only AC accounting courses accepted are ACCT 221& 222; only one CMAP course is accepted – CMAP/CA 120. **These business courses @MC are NOT accepted by UMCP as electives for business majors: BSAD 111; MGMT 101, 110, 211, 220 (Footnote 11, Transfer Credit Center says that these BSAD/MGMT courses do not transfer as electives for BMGT majors).**

MGMT 201, Business Law is not required, but it does transfer to BMGT an ELECTIVE only – it is an elective in the MC Business AA. Suggested electives: any course from the MC General Education Program; any 3-credit HLTH course, and any course that appears as transferable on the **UMCP Transfer Credit Website: www.tce.umd.edu/tclookup.html** - CLICK ON FOOTNOTES, right side, to see if a course has a "Footnote 11 - No credit" toward BMGT degree.

May I apply to UM after just one year @ MC and then try for admission to Smith? Yes, but you still must complete GATEWAY courses & apply for admission to Smith by the deadlines indicated. You may transfer to UM when you have completed 30 credits which must include ENGL 102/103 (English) and MATH 150 or 117 (Fundamental Math) – but consider which environment will allow you to earn the best grades. Students enrolled at UMCP do not get a preference in admission to Smith – the factors considered first are overall GPA and grades in Gateway courses.

How do I apply to Smith? Apply to the University through the **Application for Transfer Admission** and list BMGT as a major. There is not a separate application form for Smith. Include your resume describing business, leadership, and volunteer experiences in the Essay section of the Application for Transfer Admission. *"You are strongly encouraged to submit additional material to support your application. Additional material can include a personal statement, resume, recommendations and/or other information you feel will strengthen your application. Indicate leadership positions held".*

Will being in the Maryland Transfer Advantage Program (MTAP) help me get into Smith? Although MC recommends enrolling in MTAP, it does not guarantee admission into Limited Enrollment Programs (LEP's) including Smith/Business. **Enroll in MTAP** to receive early advising opportunities. www.montgomerycollege.edu/MTAP

What GPA do I need to get into Smith? Students need a minimum 3.0 to be considered; however, spaces are limited & admitted students typically have a GPA higher than a 3.0. Visit an Open House @ Main Campus or USG for info.

May I take CLEP Exams in a world language to earn elective credits? UM will not accept CLEP foreign language tests; however, many other CLEP and AP test scores will transfer – see the list here: www.tce.umd.edu/apibclep.html

Do I need to take the TOEFL Test if my first language is not English? Yes, unless you complete an AA degree OR if you have a very high overall GPA and A's in ENGL 101 & ENGL 102 or 103 here at MC.

Is an AA from MC required? No, but completing an AA means you have completed lower-level Gen Ed courses and it opens more scholarship opportunities. If you are completing an AA at MC, be sure to mention it in your transfer application essay.

Is there a separate application for Shady Grove? Students interested in applying to Shady Grove only may fill out a separate application located on the UM "Apply" website, or specify an interest in both the Main Campus and Shady Grove in the Essay on the Main Campus's online Transfer Admission Application.

How can I get involved in activities at Montgomery College? UM wants to see a pattern of leadership/volunteer/related work activities on your resume. **Find the Montgomery College Office of Student Life.** Join a club, or start one! ; **Volunteer activities** - www.montgomerycountymd.gov/volunteer provides ideas; **Internships, Work Opportunities:** www.montgomerycollege.edu/ejobs ; take MC Honors Courses; enroll in the Macklin Business Institute or Hillman Scholars here at MC; apply in the spring of the freshman year.

What You Need to Know About Shady Grove: The Smith School @ Shady Grove is a full-time, daytime, Fall-entrance only program in Rockville, MD. All diplomas read "Robert H. Smith School of Business, University of Maryland, College Park". Smith/Shady Grove offers small classes, varied internships, and many scholarships for transfer students. www.rhsmith.umd.edu/undergrad/shadygrove/ Enroll in TTP, the Terp Transfer Partnership, for guaranteed admission to Smith – Shady Grove. www.shadygrove.umd.edu/usg-ttp

Also see: www.smith.umd.edu Pre-Transfer Advising Sessions: www.transferadvising.umd.edu/ **1/15/15**

Be careful when selecting electives!

MONTGOMERY COLLEGE recommends these courses for Pre-Business, UM - College Park Main Campus and Shady Grove Programs
Majors Offered @ Both Main Campus & Shady Grove Campus: Accounting; Management/Entrepreneur; Marketing; International

Also see: www.smith.umd.edu Pre-Transfer Advising Sessions: www.transferadvising.umd.edu/ 1/15/15

Shady Grove Campus

The Shady Grove campus of the Robert H. Smith School of Business has a unique application process and program compared to the College Park campus. For more information, please review the attached pathway for transfer planning and we encourage you to contact the Shady Grove campus MC contact: Karina Reid email: kreid@umd.edu phone#(301) 738-6093

Key distinctions Shady Grove:

- Automatic transfer admission program through the Terp Transfer Partnership (see below)
- Operates in more of a "cohort" program, making it difficult to work while attending this program due to schedule requirements
- Application requirements differ slightly (e.g., a total of 6 courses are considered gateway courses as compared to 3 at College Park)
- Class sizes are similar to MC, 30-40 students per class
- Same great Robert H. Smith School degree. However, there are less business major types available (e.g., Finance only available at CP)
- Only admits students in the fall (College Park admits for fall and Spring)
- The campus location is right near the Rockville MC campus

USG Terp Transfer Partnership

The **Universities at Shady Grove Terp Transfer Partnership (USG TTP)** is a transfer access program designed to benefit Montgomery College students who plan to transfer to a University of Maryland, College Park (UMCP) Bachelor's degree program at the Universities at Shady Grove.

Students selected for USG TTP are determined and talented with a clear vision for their future. USG TTP is offered for the B.A. Communication, B.A. Criminology and Criminal Justice, and B.S. Biological Sciences, B.S. Public Health Science, and the Robert H. Smith School of Business undergraduate programs at USG. Upon successful completion of all USG TTP requirements, students seamlessly transfer to one of these high-demand degree programs at USG.

Take advantage of USG's modern campus, focused student body, and convenience to home and work with access to exclusive USG TTP benefits (vary by program):

- **Guaranteed admission** to top-quality degree program
- **Priority advising** for classes at MC
- **Early access** to UMCP academic advising and USG student services
- **Tuition discounts** for select UMCP classes
- **Two degree credentials** – Associate's Degree and Bachelor's Degree

Who is eligible for USG TTP?

Students can enroll in the USG TTP program at any time during their enrollment at Montgomery College, **except during their final semester**. In order to be eligible for USG TTP, students must meet specific requirements based on their program of interest:

- B.A. Communication
- B.A. Criminology and Criminal Justice
- B.S. Biological Sciences
- B.S. Public Health Science
- Robert H. Smith School of Business

What are the requirements of USG TTP participants?

After gaining acceptance into USG TTP, students must fulfill these requirements **while at MC** in order to receive the guaranteed acceptance into their bachelor's program at USG:

- Earn an Associate's Degree from MC with a minimum 3.0 cumulative GPA (requirement varies by program)
- Attend the USG Terp Transfer Partnership Orientation session at USG
- Meet at least once per semester with USG Transfer Access Assistant Director and UMCP Program Director
- Attend at least one USG Center for Academic Success Workshop per year
- Meet with USG Career Counselor prior to completion of Associate's Degree
- Submit UMCP undergraduate admission application for UMCP degree program at USG

USG TTP programs also require participants to complete program-specific courses and activities before transferring to their program at USG. See the requirements for B.A. Communication, B.A. Criminology and Criminal Justice, and B.S. Biological Sciences, B.S. Public Health Science, and the Robert H. Smith School of Business.

How to apply to USG TTP

1. [Click here to apply online.](#)
2. For best consideration submit by June 15th for Fall enrollment or November 15th for Spring enrollment in TTP.
3. Selected applicants will be contacted via email.

Options for BUSINESS MAJORS

Business is booming at the **Robert H. Smith School, University of Maryland College Park** - both Main and Shady Grove campuses - so much so that early advising is critical to admissions success.

What does it take to get into Smith? Besides a terrific grade point average, each student's application is examined for evidence of leadership activities, work experience and a willingness to take challenging courses. Involvement in college student activities should begin early. Find details on [The Smith Advising Page](http://www.montgomerycollege.edu/transfer) : www.montgomerycollege.edu/transfer

Business hopefuls should have a Plan B ready. Many students are attracted to UMCP's Smith School because it's nearby, reasonably priced, and because of its growing reputation. But Smith is not the only way to succeed in business.

Plan B Options:

Consider alternate majors at the University of Maryland, College Park:

- **The Communication major** at UMCP's Main Campus has a [Public Relations track](#) that is similar to Marketing. Important courses at MC to prepare for this major: MA 116 Elements of Statistics, SP 108 Intro to Human Communication, another SP (speech) elective, and SP 250 Intro to Communication Theory. Students must also show proficiency in a foreign language at the intermediate (e.g.) level for COMM. This Limited Enrollment Program has other requirements - see the [LEP page](#) for information: www.lep.umd.edu (also at Shady Grove)
 - **Economics** - requires MA 160 Elementary Applied Calculus. www.bsos.umd.edu/econ/
 - **Agricultural and Resource Economics** www.arec.umd.edu/Academic/Underprog/
 - **Natural Resources Management** www.nrmt.umd.edu/
 - **Psychology** or **Sociology**, etc. - although these are general majors, many people have moved into the world of business without a business major. See the long list of UM majors for other ideas: www.uga.umd.edu/admissions/academics/majors.asp . Seek out internships in a business field while in college.
 - Add business courses (BMGT) to any major through winter & [summer classes at UM](#). Although business is not a minor available at UM during Fall or Spring sessions, students can pick up BMGT courses as electives in open winter and summer sessions to enhance other majors. These courses are open to students on a first-come, first-registered basis.
 - Some feel that regardless of major, UMCP is the place where big companies interview for employees. Not all major companies are looking strictly for business majors. Being a UM student gives access to interviewing companies.
-

More options, next page...

Students ask, "Will a degree from another school be as respected and marketable as one from Smith?" The answer is yes, with an internship or cooperative work experience within the field; yes, with excellent performance in the classroom; and yes, if a student networks w/professors and fellow students. Students with strong internship experience have a distinct edge.

Choose another school to study Business:

Programs within commuting distance include:

- Consider evening business degree programs through [University of Maryland, University College \(UMUC\)](#) or [Johns Hopkins Carey School of Business](#)
- [University of Baltimore](#) has a combination of online and in-class courses (near the Inner Harbor, Baltimore). A full business degree can be *completed online*; there are many generous automatic scholarships based on GPA. (Math requirement is MA 110 & 1 stat course). UB also has a **Health Systems Administration** major taught on weekends at the Universities at Shady Grove.
- **UMBC:** While the University of Maryland, Baltimore County does not offer a Business major, they do have a **Financial Economics** major, a **Health Administration and Policy** major, an **Information Systems** major and many business "minors" in the form of Certificates, which, when added to another major, give students marketable business skills.

UMBC's [Administrative & Managerial Sciences](#) Certificates:

- Finance
- Management Science
- Personnel & Industrial Psychology
- Preprofessional Studies in Accounting

UMBC's [Financial Economics](#) BS; [Health Administration and Policy](#) BS; [Information Systems](#) BS and the new [Bachelor of Arts in Business Technology Administration Program](#) This BA program is designed for students who want a basic education in the use of PC-based office information systems. Another major, a minor, or a certificate program in a field of the student's interest must be completed along with the BA curriculum requirements to qualify for the degree. The BA degree is less technical in nature than the BS program with a focus on the user of office systems.

On the outer edges of commutability (about an hour and a half from Rockville):

- **Morgan State University's** [Earl Graves School of Business and Management](#): Morgan offered over 60 scholarships to MC students this past year. Students with a 3.0 or higher qualified for full-tuition awards; those with a 3.5 or higher were offered full tuition and room and board. This excellent Business Program is AACSB-accredited (as is Smith).
- **Towson University's** School of Business and Management is also AACSB accredited. Majors include: [Business Administration](#) with tracks and concentrations: Legal Studies, Economics, Finance, Human Resource Management, International Business, Management, and Marketing. Also: [Minor in Business Administration](#); [Financial Planning Certification Preparation](#); [Combined Major in Business Administration \(Marketing\) and Electronic Business](#); [Combined Major in Business Administration and Computer Information Systems](#); [Major in e-Business](#); [Major in e-Business with Track in Financial Planning](#); [Combined Major in Electronic Business and Business Administration \(Marketing\)](#); [Combined Major in Electronic Business and Computer Information Systems](#). In addition, Towson offers [Sports Management and Sports Marketing](#) majors.

MC Business Transfer Program Agreements

Below you will find a comprehensive list of the business partnerships created by MC Faculty, Staff and Administrators. Each agreement was designed so MC students could seamlessly continue their education and reach their academic goals. For more information on the business transfer agreements visit: <http://cms.montgomerycollege.edu/EDU/Plain.aspx?id=62337>

Catholic University, D.C., B.A. in Management

Excelsior College, Online, B.S. in General Business

Hood College, MD, B.A. in Business Administration

Univ. of the District of Columbia, B.B.A. in Accounting, B.B.A. in Management

Universities at Shady Grove Univ. of MD, College Park @ USG: B.S. in Accounting , B.S. in International Business , B.S. in Management, B.S. in Marketing

UMUC Univ. of MD, University College: B.S. in Business Administration, B.S. in Human Resource Management, B.S. in, Management Studies

Universities at Shady Grove U. of MD, Univ. College @ USG : B.S. in Accounting, B.S. in Business Administration

Scholarships

Students may access scholarships through MC and the schools you intend to transfer to. For more information, contact the institutions you plan to transfer to. You may also find more information and scholarship conferences available at: <http://cms.montgomerycollege.edu/edu/departments.aspx?id=19652>

Did you know? \$100 million in scholarships go unused every year!

Scholly is a simple smartphone app that matches students with hundreds of higher education scholarships they can apply for, tailored to their demographic and home state. It is really easy to use and provides a huge resource for students, with easy access to a list of many scholarships offered by various organizations. The Scholly App was created by a student just like you. It costs only 99 cents and it provides easy access to scholarships outside universities.

For the App: <https://itunes.apple.com/us/app/scholly-scholarship-search/id640381740?mt=8>

Business Learning Resources

Montgomery College offers multiple learning resources to help students.

Smarthinking Online Tutoring

Smarthinking is Free online tutoring for all MC students, anywhere, anytime!
Math - Science - Business - Writing - Spanish - IT

[Skip to Main Content](#)

Free Online Tutoring for **ALL MC Students**: Anywhere, Anytime!

Math - Science - Business - Writing - Spanish - IT

Drop-in with a tutor and interact in real time.

Use the **Writing Center** for any class for feedback on essays, paragraphs, and more.

Send an **Offline Question** and receive a reply from a tutor.

Use **Scheduled Tutoring** to set up a session at least 48 hours in advance to interact in real time.

Accounting Tutors

Accounting tutors are available at no cost to students in the Business office on the Rockville campus, on the second floor of Humanities, Room 261.

Accounting tutors are also available on the Germantown campus in the Math Accounting Physics Engineering Learning (MAPEL) Center located in the HT (High Technology and Science Center) building, Room 229.

Schedules for accounting tutors on both campuses may be accessed at:
<http://cms.montgomerycollege.edu/accounting/>

Writing, Reading and Language Center

MC Writing, Reading, & Language Centers!

The WRLC serves as a **free** resource for students, faculty, and staff and provides support services to students in all classes that require reading, writing, speech, American English pronunciation, and world languages. The services provided are one-to-one tutoring, specialized workshops, access to instructional technology, PC and Mac computers, the Microsoft Office software suite, WEPA print services, and various resources assigned by faculty.

Additional Free Tutoring

Biology – Chemistry – Math – Physics, Engineering, Geosciences

- Short-term tutoring is available on the Rockville campus on a walk-in basis for currently enrolled students taking math, biology, chemistry, physics, engineering, and geosciences courses at Montgomery College.
- There are seven tutoring stations in the Center. Each station has a sign above it which indicates the subject you can be tutored in at that desk.
- Each tutoring station has a sign-in sheet so that you may be taken in turn.
- Tutors assisting in the Math/Science Center are members of the faculty, Math/Science Center staff, or outstanding students who have been recommended by their professors.

For more information visit: <https://cms.montgomerycollege.edu/EDU/Department2.aspx?id=27965>

Math – Accounting – Physics – Engineering

Tutoring is also available on the Germantown Campus in the Math Accounting Physics Engineering Learning (MAPEL) Center. It provides services including tutoring, calculators, a computer lab, text books/solution manuals, and other study materials. For operating hours and more information visit:

<http://cms.montgomerycollege.edu/edu/departments.aspx?id=18038>.

Additional math tutoring is available on the Takoma Park campus. For more information, visit:

<http://cms.montgomerycollege.edu/edu/departments.aspx?id=10848>

Library resources

The Montgomery College Libraries play an essential role in supporting the curriculum at Montgomery College, offering a variety of services, in-person and virtual, and a number of resources, both in physical and electronic formats, that support research, teaching, and learning and to accommodate diverse learning styles and provide 24/7 access to resources, services and research assistance

There are locations at each campus:

- Germantown, in the Humanities/ Social Sciences Building (HS),
- Rockville, in the Macklin Tower (MT) building,
- Two locations in Takoma Park/ Silver Spring, the Cafritz Arts Center (CF) building and the Resource Center (RC) building.

For more information, visit: <http://cms.montgomerycollege.edu/libraries/a>

Blackboard Support and Tutorials

The Blackboard help desk is available to all students and faculty using Blackboard for instruction. This 24-hours-per-day, 7-days-per-week service is available to provide assistance to students, faculty and staff who have questions about using Blackboard.

Students may contact the Blackboard help desk for assistance in the following ways:

- **Telephone support** with a certified Blackboard support representative. The Blackboard Helpdesk can be reached through the IT Helpdesk phone number 240-567-7222 and is available 24/7/365.
- **Online chat** with a certified Blackboard support representative. This feature is accessible through the Blackboard Technical Support Website and is available 24/7/365 at: <http://bbcrm.edusupportcenter.com/ics/support/default.asp?deptID=8569>

Blackboard Tutorials are also available at: https://help.blackboard.com/en-us/Learn/Reference/Blackboard_Learn_Videos/Student_Videos

Career Resources

Montgomery College Career Services offers a variety of support and tools for obtaining the career of your choice, including a career coach to help you determine the right path for you. For more information, visit:

Resume Workshop

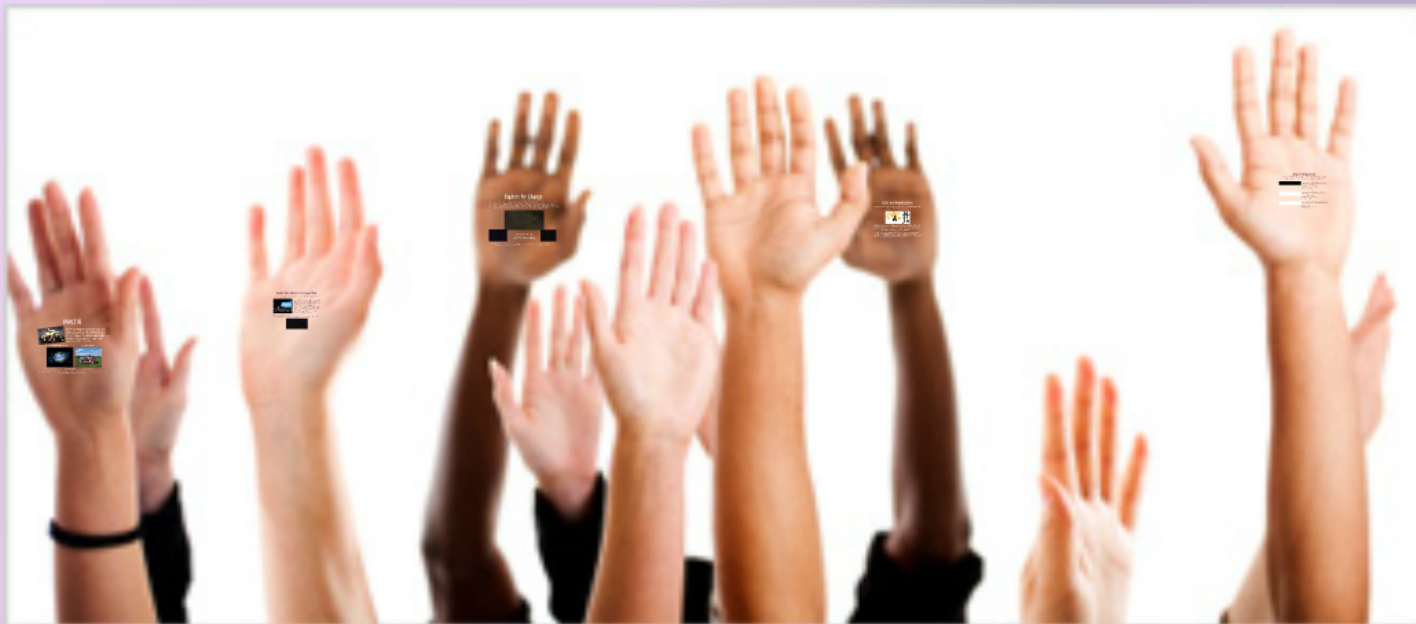

Interested in learning more about how to create a cover letter and resume? Access Professor Hannah Weiser's Resume Workshop at:
http://prezi.com/lzilfnda9ilr/?utm_campaign=share&utm_medium=copy

Get Involved! Extracurricular Opportunities

It is important to get involved on campus, and MC has a number of opportunities for you to do so. Extracurriculars play a part when you apply to colleges and jobs. That is because the things you do in your free time reveal a lot about you. Also, engaging on campus shows a willingness to go beyond the minimum expectations. For example:

- Serving in a leadership role for a club shows that you have leadership skills.
- Doing volunteer work as part of Enactus shows that you are dedicated to helping others.
- Working a part-time job while keeping your grades up shows that you are responsible and can manage your time.

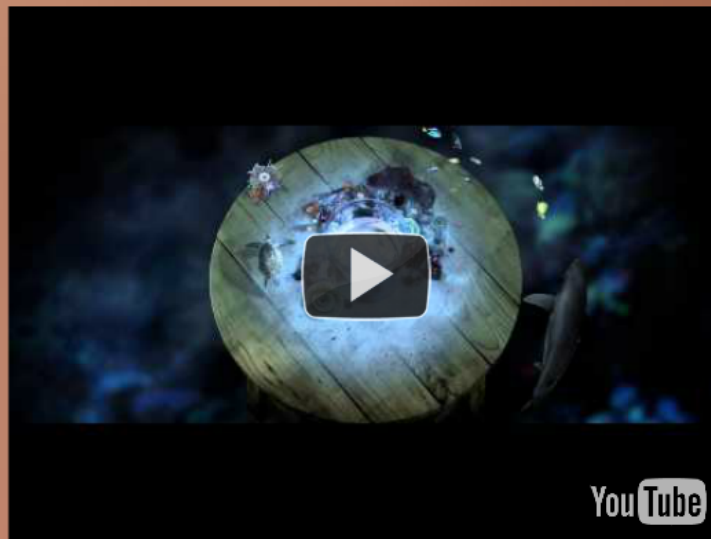

ENACTUS

Enactus is a nationwide community of student, academic and business leaders committed to using the power of entrepreneurial action to transform lives and shape a better more sustainable world. Various Enactus opportunities are available for skill building and volunteer work throughout the school year. For more information, visit: <http://enactus.org>

Learn about Enactus:

For playback errors Youtube: Enactus See Opportunity - A Glass Half Full or visit: <https://www.youtube.com/user/enactus>

Join MC Enactus!

For playback errors Youtube: Join MC Enactus!

For more information, contact the Macklin Business Institute: 51 Mannakee Street (HU 208) Rockville, MD 20850, #240-567-1707 | mbi@montgomerycollege.edu or visit: <http://cms.montgomerycollege.edu/edu/departments.aspx?id=18936>

Raptor Tank: Business Pitch Competition

Raptor Tank is designed to promote student start-up ideas and economic development by bringing together students with mentors and judges from the entrepreneurial community in a real life business challenge.

The competition generally begins during fall semester. Students submit an executive summary of a business plan to a panel of faculty, staff, students, and/or business professionals for review. During spring semester, selected finalists attend a series of workshops with subject matter experts regarding entrepreneurship. These finalists then make a business pitch to a panel of external judges (primarily local entrepreneurs). The judges select the winning participants who receive up to \$5,000 in seed money to start and/or grow the business venture. Interested participants may contact Hannah Weiser at hannah.weiser@montgomerycollege.edu.

For playback errors, Youtube: MC Today: Raptor Tank Business Competition

See photos from last year's Raptor Tank: <https://www.flickr.com/photos/montgomerycollege/sets/72157651727550265/>

Raptors for Change

Raptors for Change is a social entrepreneurship competition that enables student teams to use their creativity to raise money for one of four charities. Each team of up to four people is given 18 handcrafted Ugandan necklaces and 18 dollars - resources they can use to raise as much money as possible for their selected charity in five days.

This competition is a great way to work with friends, build a resume, earn prizes, and help others!

**In Spring 2015, almost 40
students participated in this
event, raising \$9,009 in 5 days!!!**

Students from all majors can take part in the competition. If you have any questions feel free to email MCraptorsforchange@gmail.com or contact the advisor, Joanne Frazier at joanne.frazier@montgomerycollege.edu. We will be advertising the kick-off soon!

Clubs and Organizations

MC Business students are encouraged to take their college experience to the next level by joining a club or organization – a great extracurricular activity!

Joining a club is a way to expand your horizons from an educational and social perspective. Students participating in clubs can develop their leadership skills, demonstrate commitment to business or another area of interest as you apply to four-year colleges, network and socialize. Participate in the events you like – from guest speakers and networking, to resume development and job-hunting tips, to business simulations and fun trips.

- For information about clubs of interest on your campus and even how to start your own club, visit: <https://cms.montgomerycollege.edu/edu/plain.aspx?id=2439>
- For more information about the Business Club on the Germantown campus visit: <http://cms.montgomerycollege.edu/EDU/Department2.aspx?id=73233>
- For more information or to become a member of the Rockville SBA email sbaclub.mc@gmail.com or visit: <http://cms.montgomerycollege.edu/EDU/Department2.aspx?id=69447>
- To become a member of the Economics Club at Takoma Park contact: Satarupa.das@montgomerycollege.edu. To become a member of the Future Entrepreneurs club at Takoma Park, contact: Horace.Burrell@montgomerycollege.edu. For more informatin, visit: <http://cms.montgomerycollege.edu/EDU/Department2.aspx?id=65059>

Office of Student Life

On each campus, the Office of Student Life empowers students to actualize personal and social change. Student Life provides intentional learning opportunities that promote individual growth, leadership development, and community engagement. Additional MC clubs and volunteer opportunities may be found through the Office of Student Life.

For information about the Student Life office in Germantown, visit:

Honors and Special Programs

In addition to the intellectual satisfaction, MC offers many honors programs and additional special programs to provide recognition on your transcripts and resume if you meet certain standards. When you transfer to a four-year program or go on a job interview, that acknowledgement shows you are a motivated person willing to give a little extra.

MC Honors and Special programs pay off in other ways, too. Opportunities open up, including select internships, invitations to academic conferences, scholarships, and travel. You become part of a smaller community with other motivated students, and you can explore course material not covered in non-honors sections. Instructors and industry leaders become mentors.

Consider applying to one of the programs discussed here: The Macklin Business Institute, the Hillman Entrepreneurs Program, Renaissance Scholars, Phi Theta Kappa or receive an Honors special recognition/award!

Macklin Business Institute

Originally a one-year sophomore-level honors business program, MBI has since grown to incorporate an additional two-year program for students applying to Montgomery College (MC) as freshman. MBI isn't a typical business program. It's an experiential learning program for business students to get hands-on experience in the business world and local community.

By coupling real-life experience with what students are learning in business classes, our students are often better prepared to succeed when they transfer to top business schools.

For more information, contact the Macklin Business Institute: 51 Mannakee Street (HU 208) Rockville, MD 20850, #240-567-1707 | mbi@montgomerycollege.edu or visit: <http://cms.montgomerycollege.edu/edu/departments.aspx?id=18936>

Hillman Entrepreneurs Program

The Hillman Entrepreneurs Program is a scholarship and educational program. The goal is to support, develop, and graduate ethical leaders who want to energize and give back to their local communities. Open to all transferable majors starting at Montgomery College and finishing at the University of Maryland, College Park.

What It Means To Be a Hillman Entrepreneur at Montgomery College:

- Receive a scholarship for 2/3rd of tuition and fees and funds for books
- Have the opportunity for a one-time \$500 merit scholarship
- Receive one-on-one advising and mentoring
- Develop entrepreneurial/leadership skills
- Be a member of a group of aspiring entrepreneurs
- Have internship opportunities
- Hillman classes meet on Friday afternoons in the PK building at Germantown Campus
- Earn a minor in technology entrepreneurship

For playback errors, Youtube: Hillman Entrepreneurs Program at Montgomery College

For more information, contact Ms. Rebecca Razavi, Program Director, Hillman Entrepreneurs Program: Paul Peck Academic & Innovation Building (PK) Room 175G, Germantown, MD 20876, #240-567-2019 | hillmanprogram@montgomerycollege.edu or visit: <https://cms.montgomerycollege.edu/hillmanprogram/>

Renaissance Scholars

The Renaissance Scholars is a selective honors program offered in the evenings and on the weekends at the Germantown campus and at the Takoma Park/Silver Spring campus.

The mission of the Renaissance Scholars Honors Program is to create a learning community for high-achieving and highly motivated part-time and full-time students.

What It Means To Be a Renaissance Scholar at Montgomery College:

- Stimulating interdisciplinary courses
- Participation in a community of scholars, both part-time and full-time students
- Study/travel experience
- Faculty mentors and special advising
- Cultural and social activities
- Internship opportunities
- Opportunity for an honors program designation on transcript
- Scholarship at the in-county rate for the 1-credit seminar in the fall and the 6-credits of Renaissance Scholars coursework in the spring

For playback errors Youtube: Montgomery College Renaissance Scholars Program

For more information, visit: <http://cms.montgomerycollege.edu/edu/departments.aspx?id=13457> or contact the Renaissance Scholars Directors:
Professor Joan Naake 20200 Observation Drive Germantown, MD 20876, #240-567-1951 | Joan.Naake@montgomerycollege.edu or
Dr. Carole Wolin 7600 Takoma Avenue Takoma Park, MD 20912, #240-567-1424 | Carole.Wolin@montgomerycollege.edu

Phi Theta Kappa

Membership in Phi Theta Kappa provides many benefits. First and foremost, you will be eligible for transfer scholarships that many colleges and universities offer to Phi Theta Kappa members. Another benefit of membership is that you will be included in Phi Theta Kappa's scholarship and job placement database. You will receive the Phi Theta Kappa Transfer Directory, which includes a listing of all transfer scholarships available exclusively to Phi Theta Kappa members, plus articles on financial aid, transferring, and four year institutions. Finally, the national reputation of Phi Theta Kappa will identify you to other colleges and potential employers as a superior student, and should be included on your resume.

To be eligible for membership in PTK, a student:

- must be currently enrolled at MC
- must have completed 15 credits of college level credits at MC (excluding developmental courses)
- must have a GPA of 3.50 or greater

For more information about PTK Germantown visit: <http://cms.montgomerycollege.edu/EDU/Department.aspx?id=14116>

Honors Awards and Special Recognition

Honors Scholar Award

Students who have completed a minimum of 12 credit hours of honors work, including course work in at least two different academic disciplines, and who have maintained a 3.4 or higher grade point average, are eligible to be recognized as MC Honors Scholars. For more information about the MC Honors Scholars awards, contact Dr. Lucy Laufe at 240-567-7453 or 240-567-7417.

Dean's List

The Dean's List Awards recognize students who have earned a grade point average of 3.5 or higher for two consecutive semesters and have completed at least 24 credit hours. Students will be notified via your MC email address if you receive this designation.

Transcript Notation

Students who have completed a minimum of 15 credits of MC Honors coursework in at least three different academic disciplines, and have maintained a 3.2 or higher grade point average, will receive an "MC Honors Program" notation on their Montgomery College academic transcripts.

Networking - Join the Business Buddy Program!

The Business Buddy Program pairs a student who is currently in the Business program with new students interested in business as an informal "buddy" for further help and support. This program is a great way to get involved at MC, especially as a mentor, while being flexible to meet your own scheduling needs.

Sign up now for the Business Buddy Program by accessing the sign up sheet at:
https://docs.google.com/forms/d/1tvmqGeSZ-Pg2YiHmfAwbxZO5NvEB-58m37TOEMuvHCk/viewform?usp=send_form
