

Advising Day

Chemical & Biological Sciences Students

- **When:** Tuesday, October 20th. There are no classes this day.
- **What:** Events related to advising: learning about registering for CHEM 131, transfer to UMD, one-on-one advising, Student Academic Plan for Completion assignment
- **Who:** All students, but particularly those majoring in Biological Science, Life Science, Chemistry & Biochemistry, Environmental Science & Policy, and Bioinformatics
- **Why:** To prepare students for registration for Spring 2021 (opening Nov 2 for priority, and Nov 9 for regular)
- **Where:** All sessions are virtual in Zoom
- **How:** To get more info, view the flyer in your e-mail (if you are one of the majors listed above) or in our Blackboard site
