

SCHOLARSHIPS

» Montgomery College-Universities at Shady Grove

Make Your Move with scholarship assistance.

As an MC-USG Pathway student and Montgomery County resident enrolled at MC in specific healthcare majors, you may qualify for a Healthcare Initiative Foundation scholarship through the Montgomery College Foundation. Learn more about this and other available scholarships at the Montgomery College Foundation website: montgomerycollege.academicworks.com

From MC

Start your health career in any of these majors:

Mental Health Associate (AAS)

This program provides you with the professional knowledge, values, and skills you need to begin a career in mental health/human services. With emphasis on the generalist approach to practice, you will be prepared to work with individuals, families, groups, and communities in a variety of human services settings. **Contact:** Natalie Maiden, 240-567-1394 or 301-943-9723, Natalie.Maiden@montgomerycollege.edu

To USG

Transfer and complete a bachelor's degree in any of these majors:

Social Work (BA)

UMBC at USG

UMBC's social work program prepares social work professionals in beginning generalist practices with individuals, families, groups and communities through hands-on field placements. **Contact:** Katie Morris, 301-738-6312 or kath@umbc.edu

Public Health Associate (AS)

Explore the science of promoting health, preventing disease, extending life, and improving quality of life for populations. As a public health professional, you will address the impact of genetics, environment, and individual behavior on the health of the population. **Contact:** Maureen Edwards, 240-567-7590, Maureen.Edwards@montgomerycollege.edu

Public Health Science (BS)

University of Maryland, College Park at USG

Complete your Public Health Science B.S. degree with a curriculum strong in the science of public health that will enable you to work as part of an interdisciplinary team at the local, state, national or global level—or pursue an advanced degree in medicine, dentistry, pharmacy, nursing, or allied health professions. **Contact:** Lynn Cook, 301-738-6164 or lcook12@umd.edu

Nursing (ADN)

Montgomery College (MC) and the University of Maryland School of Nursing (UMSON) have entered into a dual admission program agreement that offers simultaneous admission to MC's associate degree in nursing (ADN) and UMSON's bachelor of science nursing degree (BSN). This is a three-plus-one year(s) (3+1) agreement. The program prepares you qualify for the RN license test first, then complete a BSN degree that allows you to enter the nursing profession in a variety of health care settings. **Contact:** Laurie Williams, 240-567-5514, Laurie.Williams@montgomerycollege.edu

Nursing (BSN)

University of Maryland, Baltimore at USG

The Baccalaureate of Science in Nursing (BSN) is a rigorous and nationally respected program that transforms students who are new to the field into top-tier nurses—professionals who can make an immediate and lasting impact in any health care setting. As a BSN student, you will learn from faculty who are leaders in their fields, scientists who are on the cutting edge of nursing research, and expert clinicians with decades of experience. **Contact:** Marchelle Payne-Gassaway, 410-706-2326, payne-gassaway@son.umaryland.edu

SCHOLARSHIP CRITERIA

» Montgomery College-Universities at Shady Grove

The Healthcare Initiative Foundation scholarships provide support of \$1,500 at MC and \$3,000 at USG each academic year. Bilingual students are particularly encouraged to apply, but these opportunities are open to any student who meets the criteria below.

Additional benefits for recipients will include healthcare interpreting certification or cultural communications training, as well as participation in an annual hands-on interprofessional collaboration activity with students in other healthcare fields.

The Healthcare Initiative Foundation scholarships are structured to provide ongoing support to recipients during your studies at Montgomery College and at the Universities at Shady Grove through completion of your bachelor's degree, as long as you continue to meet the criteria.

Healthcare Initiative Foundation ADN-to-BSN Nursing Scholarship

- a. Need based
- b. Montgomery County resident
- c. Student already accepted or enrolled in MC's nursing program with the intent to enroll in the ADN-to-BSN dual admission program with the University of Maryland School of Nursing at the Universities at Shady Grove
- d. Meets the eligibility requirements for the Dual Enrollment nursing program, including an overall GPA of at least 3.0 and a science GPA of at least 2.75
- e. Must commit to an internship/clinical rotation at a nonprofit (or hospital) in Montgomery County; and maintain strong academic standing in their degree program

Healthcare Initiative Foundation Building Career Pathways Scholarship

- a. Need based
- b. Montgomery County resident
- c. Mental health or public health major
- d. Intends to pursue bachelor's degree in social work or public health science at the Universities at Shady Grove
- e. Must commit to an internship/clinical rotation at a nonprofit (or hospital) in Montgomery County.
- f. Maintain strong academic standing in their degree program
